and since the economic situation necessitated it Nevertheless he was an excellent painter who focused on painting portraits histories and above all genre topics He was one of only ten 17th century Dutch painters to practice the unique genre formula of the guardroom scene His guardroom scenes stand out as being more gentrified than others due to the fact that he assimilated in them the elegance of contemporary civic guard portraits His figures are particularly striking since they are well characterized often depicted in a contemplative mood and imbued with a strong psychological presence The fact that he started his career late and passed away at an early age robbed us of a great painter The book includes a biography of the painter as well as a systematic and comparative iconographical and stylistic study of his work with an attached critical oeuvre catalogue As such it provides an important tool for both art enthusiasts and collectors as well as art professionals such as students scholars auctioneers and art dealers

The Upside-Down World Benjamin Moser, 2023-10-10 A Washington Post Notable Book of 2023 Plunged into a strange land at twenty five Benjamin Moser began an obsessive decades long study of the Dutch Masters to set his world right again Arriving as a young writer in an ancient Dutch town Benjamin Moser found himself visiting casually at first and then more and more obsessively the country's great museums Inside these old buildings he discovered the remains of the Dutch Golden Age and began to unearth the strange inspiring and terrifying stories of the artists who gave shape to one of the most luminous moments in the history of human creativity Beyond the sainted Rembrandt who harbored a startling darkness and the mysterious Vermeer whose true subject it turned out was lurking in plain sight Moser got to know a whole galaxy of geniuses the doomed virtuoso Carel Fabritius the anguished wunderkind Jan Lievens the deaf prodigy Hendrik Avercamp And through their artwork he got to know their country too from the translucent churches of Pieter Saenredam to Paulus Potter's muddy barnyards and from Pieter de Hooch's cozy hearths to Jacob van Ruisdael's tragic trees Year after year as he tried to make a life for himself in the

Netherlands Moser found friends among these centuries dead artists And he found that they too were struggling with the same questions that he was Why do we make art What even is art anyway and what is an artist What does it mean to succeed as an artist and what does it mean to fail Is art a consolation or a mortal danger The Upside Down World is an invitation to ask these questions and to turn them on their heads to look and then to look again This is Holland and its great artists as we ve never seen them before And it s a sumptuously illustrated highly personal coming of age story twenty years in the making a revealing self portrait by one of the most acclaimed writers of his generation *The Making of Home* Judith

Flanders,2015-09-08 The idea that home is a special place a separate place a place where we can be our true selves is so obvious to us today that we barely pause to think about it But as Judith Flanders shows in her best and most ambitious work to date home is a relatively new idea In *The Making of Home* Flanders traces the evolution of the house from the sixteenth to the early twentieth century across northern Europe and America showing how the homes we know today bear only a faint resemblance to homes through history What turned a house into the concept of home Why did northwestern Europe a politically unimportant sociologically underdeveloped region of the world suddenly became the powerhouse of the Industrial Revolution the capitalist crucible that created modernity While investigating these important questions Flanders uncovers the fascinating development of ordinary household items from cutlery chairs and curtains to the fitted kitchen plumbing and windows while also dismantling many domestic myths In this prodigiously researched and engagingly written book Flanders brilliantly and elegantly draws together the threads of religion history economics technology and the arts to show not merely what happened but why it happened how we ended up in a world where we can all say like Dorothy in Oz There s no place like home **Rembrandt and the Golden Age of Dutch Art** Ruud Priem,Dayton Art Institute,Phoenix Art Museum,2006

Liedtke,Metropolitan Museum of Art (New York, N.Y.),2007 **Picturing the 'Pregnant' Magdalene in Northern Art, 1430-1550** Penny Howell

Jolly,2016-12-05 Examining innovations in Mary Magdalene imagery in northern art 1430 to 1550 Penny Jolly explores how the saint s widespread popularity drew upon her ability to embody oppositions and embrace a range of paradoxical roles sinner prostitute and saint erotic seductress and holy prophet Analyzing paintings by Rogier van der Weyden Quentin Massys and others Jolly investigates artists and audiences responses to increasing religious tensions expanding art markets and

changing roles for women Using cultural ideas concerning the gendered and pregnant body Jolly reveals how dress confirms the Magdalene's multivalent nature In some paintings her gown's opening laces betray her wantonness yet simultaneously mark her as Christ's spiritually pregnant Bride elsewhere undress reconfirms her erotic nature while paradoxically marking her penitence in still other works exotic finery expresses her sanctity while celebrating Antwerp's textile industry New image types arise as when the saint appears as a lovesick musician playing a lute or as a melancholic contemplative longing for Christ Some depictions emphasize her intercessory role through innovative pictorial strategies that invite performative viewing or relate her to the mythological Pandora and Italian Renaissance Neoplatonism Throughout the Magdalene's ambiguities destabilize readings of her imagery while engaging audiences across a broad social and religious spectrum
