## **Sensible Cruising The Thoreau Approach:**

**Sensible Cruising** Don Casey, Lew Hackler, 1995      *Sensible Cruising* Don Casey, Lew Hackler, 1990 Drawing heavily on the philosophy of the sage of Walden Pond the authors have produced a gentle guide to the art of commonsense cruising which in hardcover was one of the 10 best selling sailing books of all time      **Safety Preparations for Cruising** Jeremy R. Hood, 1997 Most sailors go to sea without prior knowledge of the cruising lifestyle and its demands Jeremy Hood utilizes his years of personal experience to teach safety measures and prudent seamanship to would be cruisers so they can set out on a vessel designed or altered with their well being in mind aware of potential risks familiar with possible solutions and possessing increased self reliance to help minimize or resolve problems *Safety Preparations for Cruising* begins with a discussion of general preparations and proceeds to comprehensively cover safety material related to every facet of cruising Topics include the structural integrity of the vessel and its potential for breakdowns basic skills dangerous situations and more Each chapter begins with a real life experience introducing the topic covered and concludes with a valuable checklist summarizing the discussion and measuring strengths and weaknesses in ourselves and our vessels This primer on safety is essential for anyone fitting out or preparing for offshore cruising      **Cruising World** , 1987-01      **Kiplinger's Personal Finance** , 1988-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics      *Cruising World* , 1987-07      *London Goes to Sea* Peter J. Baumgartner, 2004 *London Goes To Sea* is Peter J Baumgartner s candid and captivating account of restoring an ageing fibreglass sailing boat over the course of four years and then introducing it to his native New England waters His precise records illustrate every trial and triumph of the restoration process and his careful attention to errors made along the way provides crucial insight for anyone considering a similar project His writing combines the best elements of a brisk entertaining narrative and a thoroughly practical handbook making for a truly unique story that embraces every experience of the coastal sailor His unflagging joy and enthusiasm for his old Cape Dory shine through on every page      **Cruising World** , 2000-01      *Cruising World* , 1993-01      Bug Out Vehicles and Shelters Scott B. Williams, 2011-10-18 Going beyond a standard 72 hour bug out bag this book shows you how to outfit escape vehicles and retreats in order to be able to survive for days weeks or even months without civilization Projects include outfitting a stationwagon converting an RV and building secure shelters from shipping containers      *Indian Ocean Cruising Guide* Rod Heikell, 2019-01-01 A good general cruising guide covering the routes from Europe to Australia and points in between The Indian Ocean Cruising Guide covers all the usual points of interest for cruising yachtsmen from history to climate weather patterns formalities route planning and so on The general sections are followed by a country by country round up in which key ports are described in detail with the aid of harbour plans and photographs This second edition 2007 has been thoroughly revised and contains a lot of additional information on Malaysia and Thailand the Seychelles and the Chagos archipelago The introduction has been expanded and

throughout there are new plans and photographs This guide is an ideal companion to Rod Heikell and Andy O Grady's *Ocean Passages and Landfalls* which discusses routes across the Indian Ocean **Cruising World**, 1993-01 *Cruising World*, 1995-01 *Gently with the Tides* Michael L. Frankel, 1990 At one time or another almost all boaters and many non boaters fantasize about leaving behind the house lawn and neighbors and moving aboard a boat But leaving behind a familiar comfortable lifestyle for the Perils Of The Sea is a quantum leap not to be taken lightly That so few actually make the break has less to do with the rigors of the lifestyle than the lack of information about what it's really like Since 1972 *Living Aboard* Journal has served as an idea exchange for the members of the Homafloote Association live aboards from all walks of life spread all around the globe Fueled by 18 years of the best letters articles and firsthand accounts from *Living Aboard* magazine *Gently With the Tides* is a powerful testimonial to the lure and romance of living aboard a boat It is also a compendium of the pitfalls disappointments and setbacks Most of all it is a high octane dream feeder for liveaboard aspirants It will help them decide whether to it will tell them how to and most important it will fill their dreams with why to

*Exploring Coastal Mississippi* Scott B. Williams, 2004 Mississippi's barrier islands claim some of the most remote and unspoiled sites along the Gulf of Mexico The distance of East and West Ship Island Horn Island Cat Island and Petit Bois Island from the mainland has sheltered them from extensive development The inclusion of all in the roster of protected places in the Gulf Islands National Seashore Act has assured that they will remain close to their natural state long into the future For those who love the seashore the Mississippi Gulf Coast is an ideal place for adventure The wilderness islands the back bays and coastal rivers and the Gulf of Mexico itself offer pleasure for boaters and nature lovers This book will guide them to special places in these relatively shallow waters Filled with detailed descriptions of many alluring settings along with directions for navigation to secluded coves and coastal bayous this book gives tips and pointers for a wide range of boaters whether their preferred craft is a canoe a sea kayak or a luxury yacht What are the best and safest routes What are the weather patterns How does one select the perfect craft Here from an expert who has explored the coastal waters during a period of fifteen years are the answers rich in anecdotes along with information on charter boats excursion boats and other options for exploring and fishing Scott B Williams has been exploring Mississippi's marine waters and islands for more than fifteen years in sea kayaks and a variety of sailboats and has published numerous articles in *Sea Kayaker* Williams builds wooden boats and does custom yacht and residential woodwork dividing his time between Biloxi and Brandon Mississippi More information is available at his website at [www.scottbwilliams.com](http://www.scottbwilliams.com) *Yachting*, 1992-08 **Ocean Passages and Landfalls** Andy O'Grady, Rod Heikell, This cruising guide for ocean voyagers provides invaluable passage planning information for tried and tested routes around the world Climates and weather patterns currents seasons and timings are key to selecting routes but just as important is knowing something about the countries that you will arrive in Details of the expected formalities and regulations are followed by essential information on key landfalls accompanied by the first hand

observations of well known world sailors and authors Rod Heikell and Andy O Grady Text and plans have been updated for this third edition which is illustrated with a number of new photographs to inspire both dreamers and passagemakers I have recently been planning a voyage from Trinidad to New Zealand using Ocean Passages and Landfalls by Rod Heikell and Andy O Grady The book has been an exceptional resource The mass of information on a wealth of subjects is excellent The layout is beautifully put together and very accessible The pilotage and chartlets will be invaluable The book will certainly be travelling with me and I cannot recommend it highly enough to anybody who is planning ocean voyaging Theresa Kewell S Y Mr Blue This is a blue planet book Its scope is awe inspiring as it takes an overview of the globe as the yachtsman s potential cruising ground It is of course possible to glean all the macro information from scientific geophysical sources but the personality and experience of the authors adds an indispensable ingredient Yachting Monthly **Bug Out** Scott B. Williams, 2010-06-15 Learn to prep your home and family to survive sudden catastrophe from floods and fires to pandemics and terror attacks with this practical guide Cataclysmic events strike sleepy towns and major cities every year Ordinary residents suddenly find themselves in scenarios where they must evacuate immediately or perishing in rising waters raging fires or other life threatening conditions Being prepared makes the difference between survival and disaster Guiding you step by step Bug Out tells you how to be ready at a second s notice Create an escape plan for where to go and how to get there Pack the perfect bug out bag for the first 72 hours Find food water and other necessities outside of civilization Bug Out also includes detailed information on the best escape locations everywhere in the U S from the Pacific and Atlantic coasts to the Rocky Mountains the Desert Southwest the Heartland the Gulf Coast the Appalachians and the Lakes and Big Woods of the North **Dragged Aboard** Don Casey, 1998 Being a compendium of useful facts diverse knowledge and uncommon wisdom including much reassurance for the fearful and dubious toward staying safe and happy while preserving domestic tranquility during a month a year or a lifetime of cruising aboard small sailboats Cover Cruising World , 1987-01
