## **Sensible Justice Alternatives To Prison:**

**Sensible Justice** David C. Anderson,1998-01 On any given day in America more than 1 5 million people are locked up in state prisons and local jails at costs that approach 20 000 per inmate each year Crime and incarceration generate heated but often contradictory political debate voters consider prisons the only real sanction for crime but adamantly resist new taxes to pay for them Sensible Justice explores creative solutions some states and cities nationwide have devised to tackle the prison problem Alternatives to Prison Craig Russell,2015-02-03 In 2003 there were almost seven million criminals in the United States But only about two million of them were behind bars In Alternatives to Prison you ll learn why those other five million people are out on parole or probation You ll also learn about rehabilitation community service boot camps day reporting house arrest and what the future may hold for other alternatives to prison Catholic Perspectives on Crime and Criminal Justice Willard M. Oliver,2008-01-01 Drawing upon Catholic social teaching traditional writings and Sacred Scripture this book presents a Catholic perspective of crime and criminal justice in America Specifically it presents a policy framework for the criminal justice system describing how and why police courts and corrections should adopt the tenets of restorative and community justice In addition it presents how certain crime related issues would be addressed under a Catholic perspective particularly focusing on the death penalty abortion euthanasia and so called victimless crimes **Corrections in the Community** Edward J. Latessa,Paula Smith,2011-03-09 Corrections in the Community is an introductory text that provides a solid foundation of the most recent and salient information available on the broad and dynamic subject of community corrections It explores the issues and practices facing community corrections using the latest research in the field in a way that makes it easy to use and understand This book provides students with a thorough understanding of the theoretical and practical aspects of community corrections *The Handbook of Crime & Punishment* Michael H. Tonry,2000 Consisting of 28 articles this comprehensive reference work on the study of crime examines its causes effects trends and institutions current philosophies of punishment and ways of controlling crime *Sick Justice* Ivan G. Goldman,2013-06-30 In America 2 3 million people a population about the size of Houston s the country s fourth largest city live behind bars Sick Justice explores the economic social and political forces that hijacked the criminal justice system to create this bizarre situation Presenting frightening true stories of sometimes wrongfully incarcerated individuals Ivan G Goldman exposes the inept bureaucracies of America s prisons and shows the real reasons that disproportionate numbers of minorities the poor and the mentally ill end up there Goldman dissects the widespread phenomenon of jailing for profit the outsized power of prison guards unions California s exceptionally rigid three strikes law the ineffective and never ending war on drugs the closing of mental health institutions across the country and other blunders and avaricious practices that have brought us to this point Sick Justice tells a big gripping story that s long overdue By illuminating the system s brutality and greed and the prisoners gratuitous suffering the book aims to be a catalyst for reform complementing the work of the Innocence Project and

mirroring the effects of Michael Harrington's *The Other America* Poverty in the United States 1962 which became the driving force behind the war on poverty      **Encyclopedia of Contemporary American Social Issues** Michael

**New York Murder Mystery** Andrew Karmen, 2000-11 Using data about patterns trends and statistical associations over the past two decades Andrew Karmen's research uncovers the real reasons that brought about the crash Providing both a local and a national context for New York's plunging crime rate Karmen tests and debunks the many self-serving explanations for the decline Is there clear and convincing evidence to support widely held beliefs and the most insistent claims for credit Are there important underlying developments in the City and across the country that have been overlooked

**BOOK JACKET**

**Where Are All the Young Men and Women of Color?** Melvin Delgado, 2001-09-26 When it comes to social work practice in community outreach programs in juvenile detention centres in prisons in parole and probation programs and in the inner cities Melvin Delgado asks the question Where are all the young men and women of color Although many urban residents especially persons of color are or have been involved in the juvenile and or criminal justice system the topic of criminal offenders and ex-offenders has been much neglected by the human services literature This book stands as the only work to discuss correctional supervision and the needs of individuals in a nonprescriptive manner marking a shift toward a capacity

enhancement or strengths perspective approach specifically what are the strengths of individuals and how can they capitalize on them Delgado includes a section of reflections from the field that applies capacity enhancement principles and methods to case studies     **Alberta Law Review** ,1999     *Federal Probation* ,1998     Juvenile Justice Richard Lawrence,Craig Hemmens,2008-03-13 Juvenile Justice combines a text with carefully selected accompanying readings The readings will have a policy orientation giving them a real world applied character The book contains extensive coverage of the juvenile justice system focusing on law enforcement court and correctional responses to juvenile offending with an overview of the causes of delinquency This unique approach of combining a text and a reader will provide students with an understanding of the juvenile justice system and an introduction to some of the best original research articles by experts in the field

**Contemporary Moral Issues** Lawrence M. Hinman,2016-07-01 Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer s Eating Animals Eva Feder Kittay s On the Ethics of Selective Abortion for Disability and Susan M Wolf s Confronting Assisted Suicide and Euthanasia My Father s Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions     **Health and Health Care in the Nation's Prisons** Melvin Delgado,Denise Humm-Delgado,2008-09-16 The United States correctional system is facing an urgent crisis in how to meet the health care needs of its prisoners As the number of inmates in correctional facilities increases prisons struggle to adequately address health care needs in a financially feasible way Many prisoners enter the system with medical problems that have gone unmet and the toxic environments inside the prisons further compromise their health causing serious problems both within the prisons themselves and in society as a whole when the prisoners are released Health and Health Care in the Nation s Prisons presents a comprehensive and up to date assessment of the health care challenges facing today s prisons along with concrete recommendations for change In addition to an overview of the most common prison health care problems this book provides a unique assessment of the needs of largely overlooked prison populations including women people of color and older adults Authors Melvin Delgado and Denise Humm Delgado cover high profile health care needs such as substance abuse and mental illness as well as lower profile needs like hepatitis and STDs They also provide essential background information on the development of today s crisis by tracing the history of the U S health care system and how it has changed over time to meet social needs     *Intermediate Sanctions in Corrections* Gail A. Caputo,2004 Annotation This book is devoted completely to intermediate sanctions systems and their individual programs     Appeal to the People's Court Vincent Luizzi,2018-04-24 In Appeal to the People s Court Rethinking Law Judging and Punishment Vincent Luizzi turns to the goings on in courts at the lowest level of adjudication for fresh insights for rethinking

these basic features of the legal order In the pragmatic tradition of turning from fixed and unchanging conceptions the work rejects the view of law as a set of black and white rules of judging as the mechanical application of law to facts and of punishment as a necessary punitive response to crime The author a municipal judge and philosophy professor joins theory and practice to feature the citizen in rethinking these institutions The work includes a foreword by Richard Hull special Guest Editor for this volume in Studies in Jurisprudence     *Presidents and Mass Incarceration* Linda K. Mancillas, 2018-01-12 Taking an innovative approach this book looks at how U S presidents and their administrations policies from the late 1960s to 2017 have led to rampant over imprisonment and a public policy catastrophe in the United States Mandatory minimum sentencing three strikes and you re out legislation harsher sentences and less parole and probation the result of draconian criminal justice policies in the last six decades is that the United States is the largest incarcerator in the world surpassing Russia and China with significant overrepresentation of African Americans and Latinos in U S prisons especially for low level nonviolent drug offenses *Presidents and Mass Incarceration Choices at the Top Repercussions at the Bottom* shows how American presidents from Lyndon B Johnson to Donald J Trump have operated as significant political criminal justice entrepreneurs and how the leadership choices made at the top by these chief executives have severe repercussions for the citizens at the lowest levels of our communities Linda K Mancillas references State of the Union Addresses presidential initiatives laws passed by Congress Supreme Court decisions and public opinion on high profile crime events to assemble a cohesive framework of data that supports each president s impact on the incarceration explosion Readers will come away with a greater appreciation for the complexity and magnitude of the political economic and societal issue of over imprisonment that both the federal and state governments are attempting to address
