Serenity Runes Ralph H. Blum, Susan Loughan, Bronwyn Jones, 2005-07-15 God grant me the Serenity to Accept the things I cannot change the Courage to change the things I can and the Wisdom to know the difference The Serenity Prayer These simple words form one of the most important and revered messages of our age For so many people in desperate situations seeking wisdom peace and the strength to overcome overwhelming problems the prayer has offered a beacon of hope and helped them through their darkest hours The prayer is attributed to American theologian Pastor Reinhold Niebuhr and is thought to have been written during the 1940s Now Ralph Blum has blessed the words with five beautifully crafted rune stones and enhanced their meaning with fresh runic commentaries to make the prayer even more powerful and accessible So whatever your situation and however impossible the odds you too can use the Serenity Prayer to help you face your challenges and to take the first step on your own road to recovery In the accompanying book Blum and co authors Susan Loughan and Bronwyn Jones provide full instructions for using the runes with the prayer They present the commentaries and the counsel of each rune stone and suggest meditations and other techniques to use The pack is completed by a cloth bag to keep the Serenity Runes safe and a portable credit card sized card on which is printed the Serenity Prayer Runes Ralph H. Simple Runes for Beginners: A Guide to Understanding and Using the Ancient Germanic Alphabet Sebastian Berg, 2021-08-11 The actual origins of the runic alphabet are shrouded in a lot of mystery The earliest inscription is the one that reads Harja that might mean warrior or comb which can be found on the Vimose comb in Denmark that dates back to 160 CE This uses the runes so maturely and confidently that scholars think it resulted from about 100 years experience from writing the runes over this amount of time How this tradition was created has been debated and speculated for many years Inspirations from the Roman and Greek alphabet along with Danish and Italic origins have been suggested The most likely is the Greek since it does resemble a variation of the Greek alphabet The Greek alphabet was unstandardized between the years of 700 to 400 BCE It could have reached Germanic speakers through groups that were made up of eastern Europeans The mythology of the Norse gives us the story of Odin and his sacrifice The Book of Runes, 25th Anniversary Edition Ralph Blum, 2008-11-11 The Book of Runes is something very special a part of the ancient past and perhaps a part of your future Based on a tradition over one thousand years old the Runes are seen by many as a contemporary Oracle and collectively have established themselves as a remarkable aid in practical decision making A huge success with over 900 000 copies sold since its original publication in 1983 The Book of Runes has proved to be a modern classic For this the 25th anniversary of the work Ralph H Blum has expanded and refined the runic system making the Runes one of the most profoundly useful self help tools of the new century Runes Revealed Jimmy McDowell, 2024-10-29 Runes Revealed The Wisdom of Cards and Their Meanings is an essential guide for students of runes and esotericism exploring the depth and symbolism of Norse runes Through runic interpretation Norse mysticism and ancestral wisdom this eBook offers runic spiritual practices and rituals that connect readers to their essence and destiny Immerse yourself in the rich Norse culture and discover how runes can serve as a powerful runic oracle revealing paths of self knowledge and transformation
