Poet in the Grandstand Thomas Porky McDonald, 2010-11-18 In the area of ballpark hopping there have been a number of accounts written recorded or talked about in recent times sometimes for a cause or others just as a gimmick Through Poet in the Grandstand poet and writer Thomas Porky McDonald gives us a most unique twist on a preoccupation which has grown in the past few decades in the wake of the closings of classic old yards and the birth of the more entertainment and nostalgia driven open air parks From his first trip in 1990 to the fabled Comiskey Park of Shoeless Joe Jackson Bill Veeck and the Go Go Sox on through to the 2010 opening of Minnesotas fabulous Target Field featuring the modern M M Boys Joe Mauer and Justin Mourneau McDonald offers up a book that is part travelogue and part poetic tribute to all the places that men and women have gone to over the years for a very personal sense of joy This journey done methodically over two decades picks up steam as the chapters begin to flow The effect of McDonald himself clearly growing as a poet through the years is accentuated by the fact that more and more pieces are written in the later trips The end result is a most interesting volume of not just ballparks but Americana as numerous attractions taken in during those ballpark weeks and weekends are also noted and or dissected For fourteen seasons on his own and then six more accompanied by friend and confidant Adam Boneker McDonalds travels highlighted by over 300 poems can take the reader back to a simpler time or into the possibilities of the future In chapter and in verse Poet in the Grandstand has something for both the baseball enthusiast and the curious traveler Fans of the game and lovers of the road will each find much to offer within these pages

On the Tour Thomas Porky McDonald, 2017-09-25 The second volume of mini travelogues by poet and writer Thomas Porky McDonald On the Tour More City Walks picks up where A Walk in the City An Incomplete Tour left off This time in addition to some previously unmentioned museums a number of parks historic houses theaters and New York landmarks join in the mix From Washington Square Park to the Old Town Bar Restaurant to the Louis Armstrong House to the Queens Bronx and Prospect Park Zoos The City is well represented in McDonalds brief vignettes Once again a Walking Distance addendum is featured in order to give the traveler an idea of the most possible sites one can see in a given day

Another useful and understated guide to the writers lifetime home **Poet in the Parks** Thomas Porky McDonald, 2021-07-15 After going to various states on the Major League landscape over 21 seasons poet writer Thomas Porky McDonald came upon the notion of continuing to tour the rest of the contiguous United States using Minor League parks as a starting point A pair of Western tours with his niece Jaclyn and her son Alex as well as a stop in Graceland with his sister Patti would be in the mix with each stop bringing out more of McDonald s signature poetry Poet in the Parks is a sequel of sorts as the earliest trips chronicled feature returns to Major League parks with his Poet in the Grandstand road partner Adam Boneker who later hits the Minors trail with McDonald as well as a stop in New Orleans during the time of a World Pandemic Ultimately this second travel poetry volume is merely a quest to savor the American landscape no matter how many cities states parks and places of interest you pass through along the way **A Walk in the City** Thomas Porky McDonald, 2014-12-18 A random poem written on a birthday years before finds a new life when a series of interrelated profiles come together in a most unexpected way This is what constitutes A Walk in the City writer poet Thomas Porky McDonald s New York City travelogue A compilation of pieces written originally for an internal website at his workplace in New York City transit this volume shares brief yet effective vignettes on a number of various sites in the city some famous and others hardly on the radar It is dedicated to the average tourist and or the lifetime New Yorker McDonald s love of the place he s called home for his entire life comes across most vibrantly Though the outer boroughs are touched upon transiently this collection of go to sketches and reminisces is centered mainly in Manhattan which as any New Yorker knows is the place that all those who live in Brooklyn Queens the Bronx and Staten Island call The City From the world famous sites like the Empire State Building and Times Square to hidden jewels like the New York City Transit Museum the Theodore Roosevelt Birthplace or the New York City Fire Museum A Walk in the City provides something for anyone seeking interesting pit stops in New York whether planned ahead or merely in the course of a day already begun The book is subtitled An Incomplete Tour since it is McDonald s contention that no one could truly put every point of interest in the city into a single volume Here an unencumbered collection of articles attempts to send the reader out in search of something that cannot be explained without actually having the experience of being there In any case this is a city wanderers bonanza one that should be considered by anyone who aspires to explore the diverse venues located in the greatest city in the world

Porkwalk Thomas Porky McDonald, 2020-10-01 Having packaged his more than 3 100 poems in chronological and themed collections poet writer Thomas Porky McDonald had the idea of putting together a volume of some relevant pieces that feature his lifetime home of Queens New York On addition Porkwalk The Queens Collection utilizes the same formula that McDonald chose in a previous collection based on his 20 years working out of neighboring Brooklyn Dem Poems The Brooklyn Collection The 364 poems contained in this book are divided into sections with old friends his Astoria neighborhood baseball and the losses he has suffered in the mix This collection brings the poet back to where it all began and is thus

arguably the most important one to date **Never These Men** Thomas Porky McDonald, 2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individuals weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In *Never These Men* Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer *Never These Men* fundamentally asks the reader to imagine how it feels to be branded for a singular moment in ones life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer *Never These Men* asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed Vespers at Sunset Thomas Porky McDonald, 2010-10 The sixth collection of poetry to be released by Thomas Porky McDonald *Vespers at Sunset* Poems 2005 200 7 sees the poet alternately reaching back and looking forward with the usual five book format along For The ride Up first is the *Fat Parrot Diaries* a volume which contains a number of reflective pieces like *Deuce and 47* about Frank Brady a friend whom McDonald has alluded to often in the past The passing of Civil Rights icon Rosa Parks inspired the impassioned verse *The Buses Won t Be Running in Heaven Tonight* And The growing specter of aging exballplayers spurred the longing ode *As Those Years Deplete the Roster* *Diaries* is complemented by its immediately succeeding set *Drfling Shadows* whose title piece contains lasting images also seen in both *Lookin Out Mikey s Window* and *A Vision of Kirby* written for an old friend and a baseball icon respectively The present is even more in evidence in *Shadows* with a country visit *At Lackawanna* and *The Life Goes on and On* and a Midwest trip *The Guy From Midwood* *The Other Side of the Street* supplying the muse *In the Alley* brings the poet

purgatory roommate the Boston Red Sox who finally took it all in 2004 At a Loss to Eternity asks the reader to simply recall what professional sports and baseball in particular are really about The joy that those who love the Game get from it cannot be dismissed by a growing inane win or die attitude fostered by mass media and accepted incoherently in too many places Winning is wonderful and all athletes should certainly strive to win every time they enter the playing field Nonetheless any player that gives every ounce of effort they can toward the goal of winning could never be a loser despite what those who've probably never accomplished anything themselves would have you believe Winning isn't everything though aspiring to win surely should be The Red Sox 2004 World Championship exorcized many ghosts for some but the truth is that many wonderful teams and a number of All Time stars that did not win a World Title will always shine even though they never managed to secure a ring So much so that At a Loss to Eternity is in fact ultimately a tale of winners

A Walk in the City Thomas Porky McDonald, 2014-12-18 A random poem written on a birthday years before finds a new life when a series of interrelated profiles come together in a most unexpected way This is what constitutes A Walk in the City writer poet Thomas Porky McDonald's New York City travelogue A compilation of pieces written originally for an internal website at his workplace in New York City transit this volume shares brief yet effective vignettes on a number of various sites in the city some famous and others hardly on the radar It is dedicated to the average tourist and or the lifetime New Yorker McDonald's love of the place he's called home for his entire life comes across most vibrantly Though the outer boroughs are touched upon transiently this collection of go to sketches and reminisces is centered mainly in Manhattan which as any New Yorker knows is the place that all those who live in Brooklyn Queens the Bronx and Staten Island call The City From the world famous sites like the Empire State Building and Times Square to hidden jewels like the New York City Transit Museum the Theodore Roosevelt Birthplace or the New York City Fire Museum A Walk in the City provides something for anyone seeking interesting pit stops in New York whether planned ahead or merely in the course of a day already begun The book is subtitled An Incomplete Tour since it is McDonald's contention that no one could truly put every point of interest in the city into a single volume Here an unencumbered collection of articles attempts to send the reader out in search of something that cannot be explained without actually having the experience of being there In any case this is a city wanderer's bonanza one that should be considered by anyone who aspires to explore the diverse venues located in the greatest city in the world

Downtown Revival Thomas Porky McDonald, 2004-10-19 The second collection of poetry to be released by Thomas Porky McDonald Downtown Revival Poems 1994 1997 covers the poet's most focused and arguably prolific period Written directly after returning to Downtown Brooklyn following a protracted suspension from work Homestead opens this collection with a number of personal pieces For Ever Friends All These Eternities and Single Santa Fe Car as well as the title piece show the poet's appreciation for both the concept and the reality of home McDonald continues in this vein in Trolley Tracks another collection that speaks to the inner soul of the man She Smiles For You Ever Once Upon a Time on a Platform and As the Pink

Grayer Grays live in reflective glances that are obviously revered by the poet Ramble Poets which McDonald himself considers his most structured and polished book of poems goes back to the ballpark in a way that is reminiscent of his first two poem books Secondto Verse and Eternal Postcards Along with baseball pieces like Safe Harbor and September Rain Ramble Poets also contains a long list of thought provoking verses most notably Cross on the Red When the Day Comes and Bleary eyed Milkmen The final two books that appear in Downtown Revival are Gravy Man and Universal Loner which appear semi autobiographical in nature Gravy Man in many ways as reflective as Ramble Poets features some nostalgic material like Time Induced Lies Hey Jack Ruby P S 6 is a Parking Lot and Sunnyside Gardens The tender Waltz Into the Night closes out this book and leads to Universal Loner which could well be entitled The Sad Poems The title piece along with Scenes of This Earth All Ashore Miss Troubadour and I Never Went to the Polo Grounds all shed a tear for a time lost The final poem of the collection aptly titled Until the Next Remember leaves the reader poised for the next five book set by McDonald Closer to Rona Poems 1997 1999 in which the sometime gravy man and universal loner finds love
