Moundville Revisited Clarence Bloomfield Moore,1907 Dylan McFinn & The Sea Serpent's Fury Liam Jenkins,2019-10-01 No matter how small you think you are you can all change the world with one single thought or action All you have to do is believe that you can Therein lies the magic Dylan McFinn is an ordinary twelve year old Ordinary that is if you ignore the fact that he lives deep under the Pacific Ocean with his sea captain father Culbert his annoying little brother Axneus and his mother Varuna who is most definitely not a mermaid Ordinary too if you ignore the mysterious power he doesn't know he possesses For Dylan's birthday Culbert takes the family on a trip to his homeland He remembers the island of Maloto as a beautiful tranquil place but something has changed in the fourteen years since he left Dark forces are threatening the peace and his old friend Marvin an environmental warrior last seen fishing plastic from the ocean has disappeared Axneus though seems more interested in the shiny black stone he stole from Eric at Neptune's Tower What is its secret And where exactly is Neptune's Tower anyway As he battles monsters and maelstroms on his first day as a teenager Dylan McFinn discovers that he can be an awful lot more than he imagines and a nostalgic trip to the past was more than just a rite of passage It was a passage to his destiny **Taking Up Serpents** David L. Kimbrough,2002 David Kimbrough explains the history and practice of serpent handling believers from the perspective of a respectful and scholarly participant observer Maya Narrative Arts Karen Bassie-Sweet,Nicholas A. Hopkins,2019-01-15 In Maya Narrative Arts authors Karen Bassie Sweet and Nicholas A Hopkins present a comprehensive and innovative analysis of the principles of Classic Maya narrative arts and apply those principles to some of the major monuments of the site of Palenque They demonstrate a recent methodological shift in the examination of art and inscriptions away from minute technical issues and toward the poetics and narratives of texts and the relationship between texts and images Bassie Sweet and Hopkins show that both visual and verbal media present carefully planned narratives and that the two are intimately related in the composition of Classic Maya monuments Text and image interaction is discussed through examples of stelae wall panels lintels benches and miscellaneous artifacts including ceramic vessels and codices Bassie Sweet and Hopkins consider the principles of contrast and complementarity that underlie narrative structures and place this study in the context of earlier work proposing a new paradigm for Maya epigraphy They also address the narrative organization of texts and images as manifested in selected hieroglyphic inscriptions and the accompanying illustrations stressing the interplay between the two Arguing for a more holistic approach to Classic Maya art and literature Maya Narrative Arts reveals how close observation and reading can be equally if not more productive than theoretical discussions which too often stray from the very data that they attempt to

elucidate The book will be significant for Mesoamerican art historians epigraphers linguists and archaeologists **The Serpent's Veil** Brandon Rowell,2025-01-01 In a world saturated with information the ability to discern truth from falsehood is more crucial than ever The Serpent s Veil explores this very tension weaving a narrative around forensic linguist Vivian Kane a woman whose expertise lies in decoding the hidden meanings embedded within language When Vivian stumbles upon a cryptic code in a seemingly innocuous government broadcast she unwittingly unravels a conspiracy of global proportions The organization she discovers The Serpent s Veil operates in the shadows manipulating events on an international scale to further their own sinister agenda The book s central theme revolves around the power of language its ability to both conceal and reveal to unite and divide to instigate and obfuscate Vivian s journey is a testament to the power of human intelligence resourcefulness and unwavering determination As she navigates treacherous encounters and faces seemingly insurmountable odds she uncovers a web of deceit that extends into the highest echelons of power More than a suspense thriller The Serpent s Veil is an exploration of the human condition our capacity for both great good and terrible evil our resilience in the face of adversity and our ongoing struggle to define truth in a world where the lines are often blurred
