*The Quest for Biblical Servant Leadership* KeumJu Jewel Hyun, Grace Y. May, Philomena Mwaura, Julius Kithinji, 2023-05-26 Improve your service While many claim to offer models of leadership suitable for contemporary society this book goes a notch higher by doing so through the prism of Jesus's servant leadership As the servant leader par excellence Jesus not only taught but demonstrated service by stooping down and washing his disciples feet This book distills the experience and wisdom of men and women who have practically benefited from Jesus's leadership Reflective of the global church all the authors speak of a servant leadership inspired by love honoring of God humble in approach and seeking the welfare of others without neglecting a healthy self regard Whether you work on site or remotely you will find the grist for robust leadership This book is a must read for theologians businesspeople educators students and Christian practitioners seeking to make a difference in our times

**Models and Methods for Youth and Young Adult Ministry** Arthur David Canales, 2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ

**Ecclesial Leadership as Friendship** Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry

**Emerging Leadership in the Pauline Mission** Jack Barentsen, 2011-08-04 Winner of the 2012 Fredric M Jablin Doctoral Dissertation Award Where did Paul find leaders for his new churches How did he instruct and develop them What processes took place to stabilize the churches and institute their

new leadership This book carves a fresh trail in leadership studies by looking at leadership development from a group dynamic social identity perspective Paul engages the cultural leadership patterns of his key local leaders publicly affirming correcting and improving those patterns to conform to a Christlike pattern of sacrificial service Paul's own life and ministry offer a motivational and authoritative model for his followers because he embodies the leadership style he teaches As a practical theologian *avant la lettre* Paul contextualizes key theological themes to strengthen community and leadership formation and equips his church leaders as entrepreneurs of Christian identity A careful comparison of the Corinthian and Ephesian churches demonstrates a similar overall pattern of development This study engages Pauline scholarship on church office in depth and offers alternative readings of five Pauline epistles generating new insights to enrich dogmatic and practical theological reflection In a society where many churches reflect on their missional calling such input from the NT for contemporary Christian leadership formation is direly needed

*Biblical Servant Leadership* Steven Crowther, 2018-06-13

This book explores the concepts from Scripture for Servant leadership and compare these findings with contemporary models of servant leadership It is an examination of Christian leadership for the contemporary world in its global and increasing secular context Leadership studies typically view leadership externally from the results This is a good beginning but leadership needs to also view the inside of leadership in the person of the leader Scripture is uniquely qualified in this area since its first concern is the person who leads not just in leadership behaviors The author uses examples from both the Old and New Testament to establish a new shepherd model of leadership that moves beyond the servant mode to the mode of caring direction This model will provide scholars and researchers as well as leaders themselves with a way of leading that overcomes negative forms of leadership which lead to failure

*How to Develop Resources for Christian Ministries* MacMillan Kiiru, 2004

*Redeeming The Time* Daryl Poe, 2024-10-08

The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple's relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and

nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ's transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward Leadership Points Of Connection Dr. Bobbi Y. Cumpston, 2024-08-09 Leadership Points of Connection developed from the realization that leadership is about making connections in all walks of life But connections are not just for leaders Points of connection are specific interactions with others that bring about illumination creativity innovation and discussions that help relationships grow and organizations expand Connections can unite people for a common purpose that impacts an organization or community for good Meaningful connections can be intentional business meetings or spontaneous moments that leave a long lasting impact The author defines each type of connection along with leadership principles in each chapter through authenticity transformation and service Real life experience and practical examples demonstrate how points of connection can make a difference to individuals organizations and communities Each chapter ends with thought provoking questions that encourage the reader to know who they are what they have to offer others and how to make a positive impact through a point of connection The author hopes that the reader will learn that points of connection go beyond What's in it for me to the encouragement of others through authentic transformational connections that positively impact people and communities Jesus, Paul, and Power Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity's historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities Pastoral Leadership Won Sang Lee, 2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral leadership principles practiced by John Chrysostom AD 347-407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a

significant role in fulfilling the Great Commission independent of time and place      **Modeling Servant-Leaders for Africa**

Irving, Mark L. Strauss, 2019-06-18 This book brings the best of leadership theory and research together with biblical reflection and examples of leadership in action to offer a practical guide to Christian leaders Combining expertise in leadership studies and biblical studies Justin Irving and Mark Strauss explore how leadership models have moved from autocratic and paternalistic leader centered models toward an increased focus on followers The authors show how contemporary theories such as transformational leadership authentic leadership and servant leadership take an important step toward prioritizing and empowering followers who work with leaders to accomplish organizational goals Irving and Strauss organize their book around nine empowering practices making it accessible to students church leaders and business leaders Integrating solid research in leadership studies with biblical and theological reflection on the leadership ideas that are most compatible with Christian faith this book is an important resource for all Christian students of leadership
