broadest sense every email sent to a potential or current customer could be considered email marketing. It usually involves using email to send ads, request business or solicit sales or donations and is meant to build loyalty, trust or brand awareness. Email marketing can be done to either sold lists or current customer database. Broadly the term is usually used to refer to sending email messages with the purpose of enhancing the relationship of a merchant with its current or previous customers to encourage customer loyalty and repeat business; sending email messages with the purpose of acquiring new customers or convincing current customers to purchase something immediately; and adding advertisements to email messages sent by other companies to their customers.

Effective E-mail Marketing Brooke Leach, 2014-11-30

Email marketing is directly marketing a commercial message to a group of people using email. In its broadest sense every email sent to a potential or current customer could be considered email marketing. It usually involves using email to send ads, request business or solicit sales or donations and is meant to build loyalty, trust or brand awareness. Email marketing can be done to either sold lists or current customer database. Broadly the term is usually used to refer to sending email messages with the purpose of enhancing the relationship of a merchant with its current or previous customers to encourage customer loyalty and repeat business; sending email messages with the purpose of acquiring new customers or convincing current customers to purchase something immediately; and adding advertisements to email messages sent by other companies to their customers.
