

AWARE

Awareness of Attitudes and Relationship Expectations

AWARE is for individuals who are currently involved in a close relationship or are considering this in the future.

AWARE was designed to help you learn more about yourself and your relationship attitudes. AWARE can identify some of your positive attitudes and potentially problematic attitudes you have about close relationships.

AWARE results are not intended to predict your chances for a successful intimate relationship.

AWARE is not a test and there are no "right" or "wrong" answers. Please respond to all of the statements according to your point of view. The usefulness of AWARE depends upon your willingness to respond fully and honestly.

The results of AWARE are confidential and will be seen only by you. An identification number will be assigned to you and will be used in place of your name.

While you are taking AWARE, we request that you not discuss these results with anyone. After you have completed AWARE, we encourage you to think about and discuss the items as well as feelings you experienced while taking the AWARE Inventory.
