[Blueprint for Marriage](#) Gary Overholt,2017-04-03 Blueprint for Marriage is a must because when all else fails we should Follow the directions Blueprint for Marriage is more than a self help book it is also a useful reference guide for counselors and marriage mentors A design can be very complex or extremely simple but in either case the blueprint is a tool that can be used to recreate what somebody else has envisioned in his or her mind When the designer and builder are one in the same the end result is solid In the case of marriage we must ask the questions Do we have a designer and if we have a designer did that designer have a purpose in mind and did that purposeful design come with a blueprint The fact of the matter is The Bible does reveal for us a blueprint for marriage It is a very simple blueprint but at the same time very precise The end result of not following God s design is creating something different from what he intended That s a blueprint for disaster

Different By Design H. Dale Burke,2003-03-01 Are Men from Mars and Women from Venus No The earth is in fact the home base for both sexes So why are we so different Because God created us that way Men and women were created with radically different ways of thinking feeling and perceiving But when we check the Bible we see that God never intended these differences to create the incredible friction they do in today The good news is that God has already woven into His Word the perfect solution to this friction Pastor author and conference speaker H Dale Burke s book Different By Design is aimed at exposing the myth that men and women are too different to live in harmony He contends that God s master plan includes harmony between men and women in marriage When the inevitable struggles come into a relationship Burke states that we need heavenly down to earth biblical guidance for building healthy relationships We

all want to build stronger relationships whether we re single dating married or passing along advice to grandkids Different By Design provides an excellent framework within which to achieve that goal Our differences do not surprise God He wired us He understands He loves us And He provides us with a map to navigate these tricky waters *Marriage by Design* Elley Arden,2014-08-11 Family first That motto has ruled Angie Corcarelli s life since she took over her beloved late father s construction business When she discovers a new highway project will destroy the homes he once helped build she ll fight passionately to protect his legacy even if it means battling her best friend s stuffy and infuriating ex Stuart Perrault also knows a thing or two about family allegiance For the past fifteen years he s worked hard for his family s engineering firm waiting for the day he d be named CEO But a recent botched project has shaken his father s faith in him The last thing he needs now is a loose cannon like Angie interfering with the new highway plans When Stuart s father insists he wine and dine Angie to change her mind he reluctantly obliges but soon wonders if he s bitten off more than he can chew The fiery carpenter isn t as irrational as he expected and she has a knack for making his strident self control unravel The more time Angie spends with Stuart the harder it is to see him as the cold calculating guy she d believed him to be But falling for each other would mean disloyalty to their respective families Are their feelings strong enough to warrant challenging their family ties Sensuality Level Sensual Marriage By Design Stephen Long,2016-07-25 More than 50 percent of marriages fail The fallout left behind most failed marriages is devastating and leaves many scared emotionally Why is this happening Can it be changed Marriage by Design has been created to educate the readers and provide a real blueprint for a solid marriage In the current speed of light twenty four hour news cycle never ending lifestyles we lead very few folks slow down and really educate themselves on the institution and covenant of marriage We jump in and try to figure it out as we go with no real guard rails in place and then wonder why it all falls apart Marriage by Design covers five basic core principles of marriage all designed to educate you on real love and marriage and provide a pathway to a successful enjoyable marriage The read is short to the point and easy to read Whether your marriage is failing or you just want to sharpen your skills as a spouse you will find help and hope in Marriage by Design *Marriage by God's Design* Shaun McElderry,2015-11-23 In our global society almost anyone can receive licensure for marriage with the simple words of I do without proving they understand what marriage entails It also seems that almost anyone can redefine the marriage union as it suits them If one were to search global history of the deliberate evolution of marriage one would find cases of legally sanction immoral and debased practices under the guise of Holy Matrimony Fluctuating statistical data depicts those in Christendom faring just as poorly in marriage as those in secular society The Holy Bible is the only inspired instructional manual for marriage known to mankind From it I have outlined three basic marital designs God s Design the Hebraic Design the Judeo Christian Design and the Secular Design This book covers the differences in the four marriage designs and their impact on global society Also this book show God s plan and order for lovingly harmonious marriage and the power that is released as prescribed in His promises
