

Figure 1: A stone relief carving from the Gupta period, depicting a man and a woman in traditional Indian attire. The man is on the right, wearing a dhoti and a shawl, and holding a small object in his right hand. The woman is on the left, wearing a sari and holding a small object in her right hand. They are flanked by two smaller figures, possibly children or deities, who are also dressed in traditional attire. The entire scene is set within a semi-circular frame.

Marriage Divorce And Children In Ancient Rome:

Marriage, Divorce, and Children in Ancient Rome Beryl Rawson, 1991 The family has played a central role in most societies and the complexity and variety of that role demonstrates there is no single definition or pattern of the family in any society Recent studies of ancient Rome have shown that the sentimental ideal of a core nuclear family was strong throughout the period but that reality often diverged from the ideal This study examines many aspects of the composition and inner workings of the Roman family and provides an illuminating case study of the sentimental ideal versus everyday reality In addition Rawson considers the effect of divorce high mortality rates status and fostering on the family in ancient Rome

Families in the Roman and Late Antique World Lena Larsson Loven, Mary Harlow, 2012-02-02 This volume seeks to explain developments within the structure of the family in antiquity in particular in the later Roman Empire and late antiquity Contributions extend the traditional chronological focus on the Roman family to include the transformation of familial structures in the newly formed kingdoms of late antiquity in Europe thus allowing a greater historical perspective and establishing a new paradigm for the study of the Roman family Drawing on the latest research by leading scholars in the field the book includes new approaches to the life course and the family in the Byzantine empire family relationships in the dynasty of Constantine the Great death burial and commemoration of newborn children in Roman Italy and widows and familial networks in Roman Egypt In short this volume seeks to establish a new agenda for the understanding of the Roman family and its transformation in late antiquity

The Cambridge Companion to the Roman Republic Harriet I. Flower, 2004-01-19 Publisher Description

Children and Childhood in Roman Italy Beryl Rawson, 2003 Concepts of childhood and the treatment of children are often used as a barometer of society's humanity values and priorities *Children and Childhood in Roman Italy* argues that in Roman society children were in principle and often in practice welcome valued and visible There is no evidence directly from children themselves but we can reconstruct attitudes to them and their own experiences from a wide variety of material art and architecture artefacts funerary dedications Roman law literature and public and private ritual There are distinctively Roman aspects to the treatment of children and to children's experiences Education at many levels was important The commemoration of children who died young has no parallel in earlier or later societies before the twentieth century This study builds on the dynamic work on the Roman family that has been developing in recent decades Its focus on the period between the first century BCE and the early third century CE provides a context for new work being done on early Christian societies especially in Rome

Augustus and the Family at the Birth of the Roman Empire Beth Severy, 2004-02-24 In this lively and detailed study Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society The family is placed within the social and historical context of the transition from republic to empire from Augustus rise to sole power into the early reign of his successor Tiberius *Augustus and the Family at the Birth of the Roman Empire* is an outstanding example of how if we

examine private issues such as those of family and gender we gain a greater understanding of public concerns such as politics religion and history Discussing evidence from sculpture to cults and from monuments to military history the book pursues the changing lines between public and private family and state that gave shape to the Roman imperial system

The Family in Late Antiquity Geoffrey Nathan, 2002-01-08 The Family in Late Antiquity offers a challenging well argued and coherent study of the family in the late Roman world and the influence of the emerging Christian religion on its structure and value Before the Roman Empire's political disintegration in the west enormous political religious and cultural changes took place in the period of late antiquity This book is the first comprehensive study of the family in the later Roman Empire from approximately 300 AD to 550 AD Geoffrey Nathan analyses the classical Roman family as well as early Christian notions of this most basic unit of social organisation Using these models as a contextual backdrop he then explores marriage children domestic servitude and other familial institutions in late antiquity He brings together a diverse collection of sources transcending traditional studies that have centred on the legal record *A Companion to Families in the Greek and Roman Worlds* Beryl Rawson, 2010-12-09 A Companion to Families in the Greek and Roman Worlds draws from both established and current scholarship to offer a broad overview of the field engage in contemporary debates and pose stimulating questions about future development in the study of families Provides up to date research on family structure from archaeology art social cultural and economic history Includes contributions from established and rising international scholars Features illustrations of families children slaves and ritual life along with maps and diagrams of sites and dwellings Honorable Mention for 2011 Single Volume Reference Humanities Social Sciences PROSE award granted by the Association of American Publishers **The Roman Family** Suzanne Dixon, 1992-04 Brings together what historians anthropologists and philologists have learned about the family in ancient Rome Among the topics family relations and the law marriage children in the Roman family and the family through the life cycle Annotation copyrighted by Book News Inc Portland OR **The Oxford Handbook of Social Relations in the Roman World** Michael Peachin, 2011 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main

body of the book is divided into the following six sections 1 Mechanisms of Socialization primary education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society **Childhood, Class and Kin in the Roman World** Suzanne Dixon, 2005-08-19 An international collection of experts go beyond the usual cannon of literary texts and assess a vast range of evidence inscriptions burial data domestic architecture sculpture and the law

web purely bottom up unsupervised segmentation of a single image into foreground and background regions remains a challenging task for computer vision co segmentation is

discriminative vector learning with application to single channel - Sep 11 2021

web may 5 2023 in this paper we introduce a discriminative vector learning method and apply it to single channel speech separation first speech samples are transformed into

diagnostics free full text deep learning framework with - Dec 15 2021

web nov 3 2023 t2 weighted magnetic resonance imaging mri and diffusion weighted imaging dwi are essential components of cervical cancer diagnosis however

pdf generative and discriminative model based approaches to - May 20 2022

web mar 26 2020 image processing is one of the most important applications of recent machine learning ml technologies convolutional neural networks cnns a popular

discriminative image segmentation applications to book - Mar 30 2023

web discriminative image segmentation applications to rgb d image analysis and processing jun 30 2020 this book focuses on the fundamentals and recent advances

a new method for microscopy image segmentation using multi - Nov 13 2021

web nov 5 2023 image segmentation plays a crucial role in many biomedical imaging applications by automating and facilitating delineating of anatomical structures and

segmentation of mr images via discriminative dictionary learning - Oct 25 2022

web aug 1 2013 discriminative dictionary learning is used to achieve a fast implementation validation is carried out on hippocampus of 80 icbm subjects and 202 adni images

semantic image segmentation by dynamic discriminative - Jan 28 2023

web apr 26 2023 semantic image segmentation by dynamic discriminative prototypes abstract semantic segmentation achieves significant success through large scale

generative and discriminative model based approaches to - Sep 04 2023

web mar 26 2020 here data driven approaches like those with deep learning are in recent trends we show quantitative comparisons between model based and deep learning

segmentation of mr images via discriminative dictionary learning - Jul 22 2022

web aug 1 2013 segmentation of mr images via discriminative dictionary learning and sparse coding application to hippocampus labeling sciencedirect abstract
