Married To A Spy:

Married to a Spy Alec Waugh, I Married a Female Spy Donald Rilla, 2018-01-17 A young man meets a beautiful woman jogger falls in love and marries her Her periodic absences reveal she has a second job spying on individuals Over the next few months he tries to follow her to no avail until a tragic event reveals her spying activity Other books published by the author are as follows In the Mind of a Serial Killer The Three Italian Foster Kids Forensic Social Work Short Stories Rene the Runaway Foster Child Cold Case Abduction Redemption Presidential Conspiracy The Letters This Side of the Grass Blind Justice Toby Apartment Conversations Sexual Challenge The Little Red Wagon Coincidences Married to a spy Richard Harry Starr, 1915 The Beautiful Spy David Tremain, 2019-04-05 In September 1940 a beautiful young woman arrived by seaplane and rubber dinghy on the shores of Scotland accompanied by two men one of Germany's many attempt to penetrate British defences and infiltrate spies into the UK This seems to be one of the few established facts in the otherwise mysterious tale of Vera Eriksen Even the origins of the woman described as the most beautiful spy remain hazy as does her ultimate fate David Tremain delves into the archives and in doing so begins to reveal glimpses of her fascinating life story her career as a dancer in Paris a tumultuous and violent dalliance with a White Russian officer of uncertain identity her time in England with the Duchesse de Chateau Thierry an Abwehr agent the suspicious and untimely death of her husband and a rumoured pregnancy The Beautiful Spy also grapples with perhaps the biggest mystery of all what happened to Vera after she was released by the British Married to a Spy Richard Essex, 1915 **The Spy's Wife** Jane Elizabeth Hughes, 2025-07-30 Perfect for fans of Jennifer Weiner Emily Giffin and Jane Green How would it feel to wake up one morning and discover that you're married to James Bond Shelley has always believed that her husband is a mild mannered management consultant but then one morning his picture appears on CNN above the headline CIA Spy David Harris is Source of British News Leak Quiet self possessed David a spy Impossible But while Shelley is still reeling from the first revelation David's photo is again splashed across the news and this time he's not alone This time he has his arm around a beautiful sun streaked blonde and this time the headline screams CIA Superspy and British Reporter in Romantic Relationship In the weeks that follow together and apart David and Shelley dodge foreign agents and international media hounds not to mention his desperate ex lover from Paris to Bogota to Jerusalem But more alarming than this game of hide and seek is the fact that Shelley finds herself fascinated and deeply disturbingly attracted by the dangerous stranger her husband has become Can she reconcile her dream of domestic tranquility with the fierce emotions that have suddenly taken over her life Can she become the perfect spy's wife **A Spy's Resume** Marc Anthony Viola, 2008-09-29 Since the recent attacks of September 11 2001 the intelligence community has been on a hiring binge According to some estimates over half of those currently employed in the agencies and departments that comprise the U S intelligence community have less than six years experience Consequently there are a lot of people learning the ropes on how to become an intelligence professional A Spy's RZsumZ describes what people can

expect when they decide to leave government or military service In this book Marc Anthony Viola assists government and military professionals transitioning into the civilian world using techniques from the U S intelligence community While Viola includes advice on rZsumZ writing and interviewing his book goes beyond how to find a job to the challenge of conceptualizing a new vocation as well as looking at the personal journey from the perspective of a former intelligence professional transitioning to the civilian sector Viola uses experiences and observations from his own military intelligence career in ways that are of interest and of benefit to anyone thinking of changing careers or in transition with his or her own life

The Intelligent Spy's Handbook Robin Renwick,2024-09-10 pFew professions comprise such an eclectic mix of personalities as that of intelligence The characteristics required to thrive as a spy ideological conviction ego the ability to manipulate deceive and remain cold have created some of the most compelling and enduring figures in history In The Intelligent Spy s Handbook Robin Renwick provides an overview of the biggest names in the world of espionage with a wonderful eye for the details that bring each of them to life We hear for instance of how Kim Philby to have fun at the expense of his colleagues kept a photograph in his office of Mount Ararat taken from the Soviet side We see how the audacious far fetched ideas of the naval officer Ian Fleming aside from creating the most famous of all spies may have actually inspired the real life Operation Mincemeat And the darker side of some of our more heroic stories is exposed from the chemical castration of Alan Turing to the personal sacrifices Oleg Gordievsky made to become Britain s most successful Soviet mole Whether you re a seasoned veteran or a first time reader this book is the perfect primer on the best known individuals in the history of intelligence
