

Marshal Zhukov

Георгий Константинович Жуков

Marshal Zhukov:

Stalin's General Geoffrey Roberts, 2012-08-02 Marshal Georgy Zhukov is one of military history's legendary names. He played a decisive role in the battles of Moscow, Stalingrad, and Kursk that brought down the Nazi regime. He was the first of the Allied generals to enter Berlin, and it was he who took the German surrender. He led the huge victory parade in Red Square, riding a white horse and in doing so dangerously provoking Stalin's envy. His post-war career was equally eventful. Zhukov found himself sacked and banished twice and wrongfully accused of disloyalty. However, he remains one of the most decorated officers in the history of both Russia and the Soviet Union. Since his death in 1974, Zhukov has increasingly been seen as the indispensable military leader of the Second World War, surpassing Eisenhower, Patton, Montgomery, and MacArthur in his military brilliance and ferocity. Making use of hundreds of documents from Russian military archives, as well as unpublished versions of Zhukov's memoirs, Geoffrey Roberts fashions a remarkably intimate portrait of a man whose personality was as fascinating as it was contradictory. Tough, decisive, strong-willed, and brutal as a soldier, in his private life he was charming and gentle. Zhukov's relations with Stalin's other generals were often prickly and fraught with rivalry, but he was the only one among them to stand up to the Soviet dictator. Piercing the hyperbole of the Zhukov personality cult, Roberts debunks many of the myths that have sprung up around Zhukov's life to deliver fresh insights into the marshal's relations with Stalin, Khrushchev, and Eisenhower. A highly regarded historian of Soviet Russia, Roberts has fashioned the definitive biography of this seminal 20th-century figure.

Marshal Zhukov's Greatest Battles Georgi K. Zhukov, 2002-04-15 Considered by some to be the greatest general of World War II, General Georgi Zhukov served as the Chief of Staff of the Soviet High Command, leading Soviet troops against Germans in key battles of the war. In his account of four major campaigns in the war—the defense of Moscow, Stalingrad, and Kursk, and the advance on Berlin—Zhukov describes his experiences preparing for German attacks, organizing counterstrikes, assessing the enemy, and issuing the orders that pushed the front west towards Germany's capital. Zhukov also tells of his extensive arguments with Stalin during the war and the political alliances and rivalries among the U.S.S.R.'s generals throughout the conflict.

Zhukov Otto Preston Chaney, 2014-05-19 Marshal Georgi Konstantinovich Zhukov, hero of Leningrad, defender of Moscow, and Stalingrad commander of the victorious Red Army at Berlin, was the most decorated soldier in Soviet history. Yet for many years Zhukov was relegated to the status of unperson in his homeland. Now, following glasnost and the fall of the Soviet Union, Zhukov is being restored to his rightful place in history. In this completely updated version of his classic 1971 biography of Zhukov, Otto Preston Chaney provides the definitive account of the man and his achievements. Zhukov's career spanned most of the Soviet period, reflecting the turmoil of the civil war, the hardships endured by the Russian people in World War II, the brief postwar optimism evidenced by the friendship between Zhukov and Eisenhower, repression in Poland and Hungary, and the rise and fall of such political figures as Stalin, Beria, and Khrushchev. The story of Russia's greatest soldier thus offers many insights into

the history of the Soviet Union itself **Marshal Zhukov** Albert Axell, 2003 The best of the best is how Marshal Georgy Zhukov has been described by his fellow Russian Generals This book emphasises that Zhukov was a great general in the most stupendous war in history and he stood apart in the galaxy of Russian generals who fought on the Nazi Soviet front Zhukov's leadership on the field is shown in such epic battles as Moscow Stalingrad Kursk and Berlin Nobody was more decorated than Zhukov This book also explores Zhukov's volatile relationship with Stalin and discusses his achievements and various appointments throughout the war So why did one of the greatest military commanders of the twentieth century end his life in obscurity This book holds the answers *The Memoirs of Marshal Zhukov* Георгий Константинович Жуков, 1971 Memoirs of a Soviet military commander in the course of World War II **Marshal Zhukov's Greatest Battles** George K. Zhukov, 1969-06 G. Zhukov, Marshal of the Soviet Union Георгий Константинович Жуков, 1985 **G. Zhukov, Marshal of the Soviet Union** Георгий Константинович Жуков, 1985 **Foreign Relations of the United States** United States. Department of State, 1989 **Marshal of Victory** Georgy Zhukov, 2014-01-13 The complete and unredacted autobiography by Stalin's star general chronicling his many campaigns throughout WWII At Moscow Leningrad Stalingrad Kursk and Berlin as well as virtually all the principal battles on the Eastern Front during the Second World War Georgy Zhukov played a major role He was Stalin's pre eminent general throughout the conflict and he chronicled his brilliant career as he saw it in this essential text Here Zhukov reveals intriguing insights into who he was both as a man and as a commander He also delves into the military thinking and decision making at the highest level of the Soviet command making this volume essential reading for anyone studying the conflict in the east This edition of the memoirs which were first published in heavily censored form features an introduction by Professor Geoffrey Roberts in which he summarizes the additional material omitted from previous editions He also provides in an appendix a translation of Zhukov's account of the 1953-7 period as well as an interview with Zhukov that has previously not been available in English
