**One Bad Night in Mexico** TS Bola,2014-08-29 Do you know what it s Like to get shot Now I turned to my left and just as I straightened out the Toyota s path I heard some popping sounds sort of like firecrackers exploding in the distance In that our windows were up the sounds were not very distinguishable However for some strange reason I reacted so quickly that it certainly was not a conscious forethought My head went down as I bent over forward and slightly to my right just in time to avoid having a bullet hit the back of my head as it passed through the back glass Then in a split second I realized why I had unconsciously reacted that way and Poetry is simply stated just another modality of expression of ideas feelings opinions and visions Like any other mode of expression it can be useful if produced by the mind of a skillful and perceptive person However the very best writers not only consult their mind which is the lead part of the soul but also are influenced by an enlivened human spirit Some are endowed with a thin slice of divine creativity that which can be used to produce a very good quality product and it will endure over time It is my hope and desire that herein there is some of the latter type which is mentioned here Professionally speaking as an educator and psychologist I hope that a degree of multifarious perceptions has been shown in the writings contained here in this book Because it is written with the intention of not only giving some degree of pleasure but also for some degree of enlightenment May the Good Lord bless all those who read this book TS Bola

The Practical Poet TS Bola,2015-12-18 My first book One Bad Night in Mexico was written about five years ago not because I actually aspired to do so but mainly because of my younger brother s insistence to do so I think my resistance to write the book was because of the painful memories that were involved in that near death experience However later on I even published a second edition of it with a postscript explaining what had been happening since that horrible incident As such since then I have been completing my present project of finishing the writing of 150 poems to be published in the next two or three months I am writing this in November of 2015 so maybe by January or February of 2016 this book The Practical Poet will be published It will consist of 150 poems that I have written over a period of time from 1967 until 2015 The poems reveal a variety of themes and emphases but many have moral ethical threads embedded in them regardless of their type Some of the poems are written with the obvious intent of humor others for clarification of a subject and others for spiritual emphasis As such I simply wish for you to read and enjoy my labor of love as well as occasional stress which you will likely note in some of the poems These poems likely reveal much about my ideas preferences convictions beliefs views of worldly situations and my personality However in reading these poems I believe that you will not only have an occasional laugh but you might even learn something new in these writings Anyway I hope you read

and enjoy
