Martin Chuzzlewit, part I Charles Dickens, 1911 **Martin Chuzzlewit** Charles Dickens, 1869 The story centers on wealthy old Martin Chuzzlewit His many relatives believe that he is at death's door so they swarm about him like bees angling to get a piece of his fortune The main theme of the novel is selfishness which is portrayed in a satirical fashion using all the members of the Chuzzlewit family **The Life and Adventures of Martin Chuzzlewit** Charles Dickens, 1844

Martin Chuzzlewit Charles Dickens, 1868 **The Life and Adventures of Martin Chuzzlewit : His Relatives, Friends, and Enemies** Charles Dickens, 1844 **The Life and Adventures of Martin Chuzzlewit ... With a Frontispiece, from a Drawing by F. Stone** Charles Dickens, 1850 The Companion to Martin Chuzzlewit Nancy Metz, 2001-11-30 The notes revise and expand the conventional wisdom regarding the sources for the American chapters demonstrating that Dickens drew on a much wider field of writings about America than has been traditionally acknowledged A more complete context provides insight into Dickens's composing process allows us to read more accurately the ideological ground on which he constructed his view of America and sheds light on the plot anomalies surrounding young Martin's emigration The notes show how in fictionalising his own firsthand experiences Dickens simultaneously engaged in a quite specific process of revising other travel accounts Dickens the rhetorician emerges as his characters engage the claims and counterclaims of other travel writers in order to make the best case for the novelist's increasingly negative and cynical view of America BOOK JACKET
