Discovering Your Magnificent Mind Dr. David James, 2017-02-23 You are living in one of the most exciting times in human history People have struggled for thousands of years to find happiness and fulfillment but now its clear that you can have the life you desire if you learn to use your mind correctly Today the realm of miracles and mystery being understood in a new way as the connection between mind body and spirit becomes clearer and more accessible to you Your mind is not only a powerful ally in your quest for a better life but it is also your link to others and the Divine through the energy web of all creation By learning to apply the principles in these pages you will have greater access to your personal potential and story of success In this easy to read and practical book Dr David James an expert on personal transformation introduces you to your magnificent mind and shows you how to harness its power to create a life filled with happiness abundance and well being *Magnificent Mind at Any Age* Daniel G. Amen, M.D., 2008-12-02 It all starts with your brain how you think how you feel how you interact with others and how well you succeed in realizing your goals and dreams When your brain works right so do you When it s out of balance you feel frustrated or worse Yet amid all the advice that bombards us daily about how to keep the rest of our body strong and healthy we hear very little about how to keep the most complex and magnificent organ of all the human brain in top working order Based on the most up to date research as well as on Dr Daniel Amen s more than twenty years of treating patients at the Amen Clinics where he and his associates pioneered the use of brain imaging in clinical practice *Magnificent Mind at Any Age* does exactly that Dr Amen shows how many of the traditional approaches to overcoming the mind centered challenges that hold us back try harder work longer find the sheer willpower either do not work or may make our problems worse The true key to satisfaction and success at any age is a healthy brain By optimizing our brain function we can all develop these qualities of a magnificent mind enjoyed by the world s most successful and happiest people Increased memory and concentration The ability to maintain warm and satisfying relationships Undiminished sexual desire and performance Goal oriented perseverance Better impulse control and mastery over potential addictions Free flowing creativity and the ability to relax and enjoy life s pleasures To achieve this as Dr Amen explains here in clearly accessible language we have a range of options available including proper diet natural supplements and vitamins exercise

positive thinking habits and if needed medication In addition to revealing how we can all take advantage of such strategies to enjoy the benefits of a balanced and healthy brain at every stage of our lives Dr Amen also pinpoints specific ways to tailor behavior nutrition and lifestyle to deal effectively with common mental challenges such as memory problems anxiety and depression attention deficit disorder and insomnia Whether you re in the midst of a demanding career or are looking forward to an active and richly rewarding retirement Magnificent Mind at Any Age can give you the edge you need to live every day to your fullest potential
