Marxism And The French Left:

The French Left Arthur Hirsh,1982 *Marxism and the French Left* Tony Judt,2011-05-01 Unlike most books which treat labor Socialist and Communist history separately and view French Marxism as a self contained philosophical phenomenon Marxism and the French Left offers a refreshingly different approach to the subject Judt emphasizes the complex and interwoven themes that unify the topics of his essays to construct a distinctive and original interpretation of French left wing politics over the past 150 years A well informed and persuasive reinterpretation of the old French Left that is now receding beyond recall except for historians Times Literary Supplement **Marxism and the French Left** Tony Judt,2011 No detailed description available for Marxism and the French Left **The French New Left** Arthur Hirsh,1981

Marxism and the French Left Tony Judt,1986 French Socialists Before Marx Pamela M. Pilbeam,2000 How to put socialism into practice was as fundamental a concern for nineteenth century socialists as it has been for their successors In French Socialists before Marx Pamela Pilbeam explores the development of and changes in socialist ideas revealing how the Fourierists of the 1830s and 1840s changed Fourier s ideas on the family and sexuality preferring public works programs to model communities She focuses on the practical contributions of early socialists including the efforts of working women to run schools worker associations and newspapers Communism and the French Left Charles Antoine Micaud,1963 **New Left Review** ,2011 *The French Left and the Fifth Republic* John Gaffney,1989-02-06 An examination of the ways in which the French Left adapted through a series of transformations to the exigencies of presidentialism and the myths which underpin it The study aims to illustrate the crucial role played by language in the political practice of representative democracy **Jules Guesde** Jean-Numa Ducange,2020-04-27 What explains France s unique Left Many works have reflected upon the importance of Marxism in France yet few studies have been devoted to the man who did most to introduce Marxism into its political culture the today near forgotten figure of Jules Guesde It was with Guesde that Karl Marx drafted the world s first Marxist program and Guesde who aroused the enthusiasm of countless worker militants who saw him as their most important leader Jules Guesde represents the first book length study of the French socialist leader translated into the English language For the radical Left today Guesde is often considered a dogmatist who supported the Union sacrée during World War I and rejected the Bolshevik revolution for the governmental Left he embodies an intransigent ideologue who held back the modernization of the French Left Throughout Jules Guesde Jean Numa Ducange argues that it is impossible to study the history of the French socialist movement without a close look at this singular figure and offers a fuller picture of the deep transformations of the Left and Marxism in France from the late 19th century up to the present This scholarly biography of Jules Guesde seeks to put Guesde s record on a properly historical footing closely analysing both archival sources and accounts by his contemporaries Chapter One begins with his early life and the mark left on him by the Paris Commune and exile Chapter Two emphasises Guesde s importance as leader of a distinct current of French socialism

recognised by figures like Karl Marx and Friedrich Engels Chapter Three sees Guesde become an MP for working class Roubaix exploring the contradictions between his revolutionary rhetoric and concrete political practice Chapter Four turns to the years following his electoral defeat in 1898 and his renewed intransigence in the period of the Dreyfus affair and rivalry with Jaur s Chapter Five explores his key role in the formation of a united Socialist Party Chapter Six examines the test of World War I and Guesde s anguish at the divisions of French socialism The book then concludes with an examination of Guesde s contested legacy as both a founding father and figure subject to often pejorative framings
