Marxist Theory And Democratic Politics:

Marxist Theory and Democratic Politics Christopher Pierson, 1986-01-01 **Political Philosophy and Political Action** Adam Burgos, 2016-12-12 Political philosophers have long taken inspiration from political movements when crafting their theories which they hoped would address the universal problems of democracy Political Philosophy and Political Action investigates the relationship between political practices of popular resistance and political theory The text demonstrates how the lived experience on political resistance can help us to analyse and interpret theory and also reveals how concrete resistance movements can challenge the ideals of political theory generally It begins by examining the universal aspirations present within the contextual particularities of Black Lives Matter Occupy Wall Street and the Arab Spring Political Philosophy and Political Action then turns to critical examination of Jean Jacques Rousseau Karl Marx John Dewey and Jacques Rancière using novel interpretations of their philosophies of equality and democracy to construct a conceptual framework More specifically the chapters show how we can analyze resistance movements that incorporate the imperative to resist inequality in the name of democracy The result is a novel means of thinking about important issues in contemporary political philosophy including pluralism oppression and domination and the purposes and meaning of politics

Marxist Ethics within Western Political Theory N. Leadership in Liberal and Democratic Theory Joseph Femia, András Körösenyi, Gabriella Slomp, 2016-08-22 The working hypothesis of this book is that the issue of leadership is neglected by mainstream democratic and liberal theories This deficiency has especially become evident in the last three or four decades which have witnessed a revival of deontological liberalism and radical theories of participatory and deliberative democracy The contributors examine discuss and evaluate descriptive analytical and normative arguments regarding the role of leadership in liberal and democratic theory The volume seeks to provoke debate and to foster new research on the significance and function of leaders in liberal democracies The book as a whole and in its constitutive chapters works on two levels First it aims to expose the lack of systematic treatment of leadership in mainstream liberal and democratic theory Second it explores the reasons for this neglect Overall the book tries to convince the reader that liberal and democratic theories should revive the issue of leadership Marxist Politics Md. Ayub Mallick, 2022-12-15 This book deals with the main doctrines of Marxist politics Clearly and simply written the book explores the views of classical Marxists along with the findings of Western and Analytical Marxists It also shows a distinction between Marxist and non Marxist views on politics Their points of difference as well as their common roots are thus clearly accounted for Marxist politics is a coherent system of ideas and theories of class class struggle party revolution and the state developed in response to a series of major and interrelated changes the emergence of a capitalist economy the rise of the modern nation state and the development of modern science which transformed both the society and politics This book is intended to explore these ideas and theories Particular emphasis has been put on the ideas and views of critical Marxists in a separate chapter The book includes brief bibliographical details of major individual thinkers as well as an annotated bibliography for further reading Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **Deleuze, Marx and Politics** Nicholas Thoburn, 2003-09-02 A critical and provocative exploration of the political conceptual and cultural points of resonance between Deleuze s minor politics and Marx s critique of capitalist dynamics engaging with Deleuze s missing work The Grandeur of Marx This book explores the core categories of communism and capital in conjunction with a wealth of contemporary and historical political concepts and movements from the lumpenproletariat and anarchism to Italian autonomia and Antonio Negri immaterial labour and the refusal of work This book will serve as an introduction to Deleuze s politics and the contemporary vitality of Marx for students and will challenge scholars in the fields of social and political theory sociology and cultural studies **Marx and the Political Economy of the Media**, 2015-09-29 More than 130 years after Karl Marx s death and 150 years after the publication of his opus magnum Capital Critique of Political Economy capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx s works This volume presents 18 contributions that show how Marx s analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key

resource on the foundations of Marxist Media Cultural and Communication Studies The Specter of Democracy Dick Howard,2002 In this rethinking of Marxism and its blind spots Howard uses a critical rereading of Marx as a theorist of democracy to offer a new way to think about this political ideal He argues that it is democracy rather than Marxism that is radical and revolutionary and that Marx could have seen this but did not Marxism, Revolution, and Democracy John Hoffman,1983 **Party Politics and Democratic Governance in India** Alaknanda Shringare,2009 **Marx: Early Political Writings** Karl Marx,1994-06-24 A newly translated selection of Marx s early political writings *Negativity and Democracy* Vasilis Grollios,2017-01-12 The current political climate of uncompromising neoliberalism means that the need to study the logic of our culture that is the logic of the capitalist system is compelling Providing a rich philosophical analysis of democracy from a negative non identity dialectical perspective Vasilis Grollios encourages the reader not to think of democracy as a call for a more effective domination of the people or as a demand for the replacement of the elite that currently holds power In doing so he aspires to fill in a gap in the literature by offering an out of the mainstream overview of the key concepts of totality negativity fetishization contradiction identity thinking dialectics and corporeal materialism as they have been employed by the major thinkers of the critical theory tradition Marx Engels Horkheimer Lukacs Adorno Marcuse Bloch and Holloway Their thinking had the following common keywords contradiction fetishism as a process and the notion of spell and all its implications The author makes an innovative attempt to bring these concepts to light in terms of their practical relevance for contemporary democratic theory *Marcel Gauchet and the Crisis of Democratic Politics* Natalie J. Doyle,Sean McMorrow,2022-02-25 This book presents for the first time in the English language Marcel Gauchet s interpretation of the challenges faced by contemporary Western societies as a result of the crisis of liberal democratic politics and the growing influence of populism Responding to Gauchet s analysis international experts explore the depoliticising aspects of contemporary democratic culture that explain the appeal of populism neo liberal individualism the cult of the individual and its related human rights and the juridification of all human relationships The book also provides the intellectual context within which Gauchet s understanding of modern society has developed in particular his critical engagement with Marxism and the profound influence of Cornelius Castoriadis and Claude Lefort on his work It highlights the way Gauchet s work remains faithful to an understanding of history that stresses the role of humanity as a collective subject while also seeking to account for both the historical novelty of contemporary individualism and the new form of alienation that radical modernity engenders In doing so the book also opens up new avenues for reflection on the political significance of the contemporary health crisis Marcel Gauchet and the Crisis of Democratic Politics will be of great interest to scholars and postgraduate students of social and political thought political anthropology and sociology political philosophy and political theory **Karl Marx's Social and Political Thought** Bob Jessop,Charlie Malcolm-Brown,1999 Political Theory in Modern Germany Chris Thornhill,2013-06-10 This book provides an accessible and comprehensive introduction to
