Wisdom, Revised and Expanded David G. Benner, 2019-07-24 Much more than knowledge or even understanding wisdom is seeing life through the eyes of an awakened heart and transformed consciousness Rather than being the result of the accumulation of information wisdom comes from acquiring a new mind Buddhists speak of this new mind as enlightenment The Christian name for it is the mind and heart of Christ This is the basis of wisdom Wisdom is grounded in a deep awareness of the sacredness and interconnectedness of everything in existence It is living in alignment with the creative Spirit of Wisdom who inhabits all of creation and is our truest and deepest self It is learning to participate in God's transformational agenda of cosmic whole making this being the way in which everything that exists becomes whole in Christ This book does not offer gems of wisdom Instead it seeks to facilitate the awakening of your heart and transformation of your consciousness that will allow wisdom to flow from depths **The Wisdom of Ananda Coomaraswamy** Ananda K.

Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more

about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself This volume examines the spiritual journey inward and its companion volume the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
