Can't Be Perfect? Rev L. Ambridge, 2011-04-06 Sometimes we don t believe we can do what God tells us to do or be what God commands us to be simply because we don t understand what He wants That s what happens for many Christians when they hear that famous command Be ye therefore perfect even as your Father which is in heaven is perfect Right away we fall back to our personal human interpretation and decide that perfect isn t really what Jesus meant because perfect represents to us a level and a quality that is way beyond our reach Then we start feeling guilty about not being able to hit the mark so we start lowering the target Now it s not perfection God wants but maturity That s how we fi x it up Jesus didn t really mean for us to be perfect He meant for us to be mature Maturity is a process a time line along which a person travels to reach a certain condition or state That s not what perfection in God is It s not a process it s a decision If we make the decision to be perfect as God has commanded will He not make it possible for us to do that When has God ever commanded us to do something or be something and not made the way for us to do that and be that Has He not given the tools and the ministries to help us do that Do we not have the presence of God the leadership teaching and example of Jesus the guidance of His Word and the power of the Holy Spirit to do what God the Father through Jesus has commanded us to do If God has given us all that and made it possible for us to honor His command and be perfect as He is perfect who is qualifi ed to say we can t do it **Opening the Bible** Antony Campbell, 2014-08-30 When Tony Campbell aged 75 asked the Council of Jesuit Theological College for Emeritus status and retirement from JTC both were granted most graciously along with a testimonial document which said in part His teaching has combined evocation and provocation in the best sense of those terms He has mentored research students with scholarly exactitude and personal care He has published books of the highest scholarly quality of engaging readability and of passionate conviction When we at ATF were considering asking him for a volume of Collected

Works or Selected Writings we were well aware that published books of the highest scholarly quality were likely to be found on the shelves of libraries and of specialised academics but not with students and others generally interested There may be a dozen or more of Tony s books on the list from Amazon com booksellers along with another two or three that are not listed there But most are heavy duty specialist works not easily accessible even to the educated public We were equally well aware that there was a surprising number of essays and articles scattered in journals and proceedings of conferences that were because of the scattering often just as inaccessible We thought that a collection of these in a single volume would be of great value to those interested In the Introduction to this volume Father Campbell has gone into some detail about the contents Suffice for us to say that Job and the issues associated with suffering concern us all that the interplay of history and narrative is a constant in the understanding of much biblical text and that the nature of the Bible and its role in our lives is a major concern for most thinking Christians While Father Campbell s focus is on the Older Testament pondering what he looks at throws light on much of the Newer Testament as well The writings Tony Campbell has pulled together in this single volume address significant issues within the readable length of an article or a talk Addressed originally to thinking people we at ATF believe they are likely to be of interest to a wide audience **Sales Management** Thomas N.
