The Publishers' Trade List Annual ,1984 **Speaker's Desk Book of Quips, Quotes, & Anecdotes** Jacob Morton Braude,1966 **Pocket Quips** Robert C. Savage,1984-02 **America Aflame** David Goldfield,2011-03-15 In this spellbinding new history David Goldfield offers the first major new interpretation of the Civil War era since James M McPherson's *Battle Cry of Freedom* Where past scholars have limned the war as a triumph of freedom Goldfield sees it as America's greatest failure the result of a breakdown caused by the infusion of evangelical religion into the public sphere As the Second Great Awakening surged through America political questions became matters of good and evil to be fought to the death The price of that failure was horrific but the carnage accomplished what statesmen could not It made the United States one nation and eliminated slavery as a divisive force in the Union The victorious North became synonymous with America as a land of innovation and industrialization whose teeming cities offered squalor and opportunity in equal measure Religion was supplanted by science and a gospel of progress and the South was left behind Goldfield's panoramic narrative sweeping from the 1840s to the end of Reconstruction is studded with memorable details and luminaries such as Harriet Beecher Stowe Frederick Douglass and Walt Whitman There are lesser known yet equally compelling characters too including Carl Schurz a German immigrant warhero and postwar reformer and Alexander Stephens the urbane and intellectual vice president of the Confederacy *America Aflame* is a vivid portrait of the fiery trial that transformed the country we live in **The Writer's Handbook** Sylvia K. Littell,1860 *Inside the Pentagon Papers* John Prados,Margaret Pratt Porter,2004 Inside the Pentagon Papers addresses legal and moral issues that resonate today as debates continue over government secrecy and democracy's requisite demand for truthfully informed citizens In the process it also shows how a closer study of this signal event can illuminate questions of government responsibility in any era When Daniel Ellsberg leaked a secret government study about the Vietnam War to the press in 1971 he set off a chain of events that culminated in one of the most important First Amendment decisions in American legal history That affair is now part of history but the story behind the case has much to tell us about government secrecy and the public's right to know Commissioned by Secretary of Defense Robert McNamara the Pentagon Papers were assembled by a team of analysts who investigated every aspect of the war Ellsberg a member of the team was horrified by the government's public lies about the war discrepancies with reality that were revealed by the report's secret findings His leak of the report to the New York Times and Washington Post triggered the Nixon

administration's heavy handed attempt to halt publication of their stories which in turn led to the creation of **Popular Photography**, 1981-01 Skiing, 1987-12 **American Motorcyclist**, 1983-07 American Motorcyclist magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling the sport that it is.
