

All The World's Alive Again

by Jennifer Gunner

The rabbit hops its gentle step
The lark sings lyric songs
All the world's alive again
Spring rights the winter wrongs.

Mother hen protects her chicks
White blossoms are in bloom
All the world's alive again
No snowy clouds to loom.

A kitten chirps her tiny mew
The child blinks his eyes
All the world's alive again
A new world crystalized.

Poems For Spring:

Ten Poems for Spring Candlestick Press,2020-03-02 Spring Poems for a New World Mark S. Jones,2015-05-28 This is my 2nd book of Poetry that I am preparing for Publication with Fed ex in the last 3 months of 2011 It has been long fulfilling and Beautiful Road and I am not through yet The Poems are meant to Inspire Young Poets and Old Poets alike I hope I will take your time with these Poems Savour them and see if you can relate to them in your life For those of you who hear a different drummer as I have often heard it is okay it is okay *Fifty Poems about Spring* ,2014-03-21 A collection from a lifetime of writing poems on the first day of spring Spring Songs Poets Unite Worldwide,Fabrizio Frosini,2018-05-13 These poems are an invitation to let go of the burdened self and join our poets into the world of effervescent feelings The perspective on Spring varies from one poem to another Spring is intensively lived both as an individual experience and also a collective one Some poems focus on the harsh treatment people give the Earth but the fact that Spring never fails to come back chasing the long and cold winter away reminds all human beings about the constancy of life and the ability of fulfilling its cyclical renewal Feelings of relief and joy are abounding through the poems clusters of snow melting here and there the freshness of the air the nature clad in velvet green the bees and the animals the birds songs that animate the scenery the scent of the flowers that blossom in this particular season the sunshine that gently pats every life form Life pulses through each pore The balance between death and life is restored as the remnants of winter and its dark and gloomy days are replaced with a comforting light and an imperishable craving for cheerfulness joie de vivre and optimism In a poem Spring is likened to a young beautiful maiden who gracefully walks on the earth dispersing the morose winter days reinstalling happiness while nature comes back to life In other poems Spring is associated with the loved one either present or projected in a fantasy world The contemplation of Spring is regarded as an opportunity to assort the sentiments and the changes that take place in the outside world Reading some of the poems you can overcome the blurred line between reality and dreams like a sudden passionate dialogue between two lovers where the season becomes a reference point being used in order to express one s love and tenderness while others depict in vintage hues a story of longing with an emphasis on the shattered heart and pleas for the lover s return that echo through the entire poem There are also poems that remind the reader of one of the most beautiful and adventurous stages of life namely the childhood Other poems are focused on the role of words and language in recreating all these changes that occur in nature once this long awaited season is installed Spring also becomes synonymous with tough life lessons experienced in a Soviet gulag a strong evocation of unyielding personal values such as dignity and strength to find hope in the most troubled times for an upcoming liberation The poems that are included in this anthology are original and each can be viewed as an ode or a tribute to one of the most spectacular seasons the season of rebirth A E Laposi Sun Through Small Leaves ,1980 Presents a collection of poems about spring The Double Dream of Spring John Ashbery,1970 **Spring, a poem** James Thomson,1728 **Poems. Spring** Archer Thompson Gurney,1860
