a Memoir Robert Bridges,2015-06-15 Excerpt from The Poems of Digby Mackworth Dolben Edited With a Memoir I had not
visited Eton for many years when one day passing from the Fellows Library into the Gallery I caught sight of the portrait of
my school friend Digby Dolben hanging just without the door among our most distinguished contemporaries I was wholly
arrested and as I stood gazing on it my companion asked me if I knew who it was I was thinking that beyond a few whom I
could name I must be almost the only person who would know Far memories of my boyhood were crowding freshly upon me
he was standing again beside me in the eager promise of his youth I could hear his voice nothing of him was changed while I
wrapt from him in a confused mist of time was wondering what he would think could he know that at this actual moment he
would have been dead thirty years and that his memory would be thus preserved and honoured in the beloved school where
his delicate spirit had been so strangely troubled About the Publisher Forgotten Books publishes hundreds of thousands of

The Image of the Middle Ages in Romantic and Victorian Literature Kevin L. Morris,2019-06-26 Originally published in 1984 The Image of the Middle Ages in Romantic and Victorian Literature looks at the impact of medievalism in the 18th and 19th centuries and the importance of post Enlightenment literary religious medievalism The book suggests that religious medievalism was not a superficial cultural phenomenon and that the romantic spirit with which it was chronologically connected was intimately associated with the metaphysical The book suggests that this belief gave birth to the metaphysical yearning and cultural expression of the eighteenth and nineteenth century The book seeks to clarify the post Enlightenment relationship between aesthetic culture and aesthetic religion romanticism medievalism and religious trends

[A Queer Chivalry](#) Julia F. Saville,2000 Others decry his monasticism as the regrettably oppressive regimen from which he was able to escape only occasionally through his sensuous sometimes overtly homoerotic verse Julia F Saville uses Lacanian theories of sublimation and courtly love to reconfigure this long standing rift in the field of Hopkins criticism

BOOK JACKET The Collected Works of Gerard Manley Hopkins Gerard Manley Hopkins,2006 Gerard Manley Hopkins was not only one of the most gifted Victorian poets he was a compelling diarist who used his journals for everything from daily to do lists to the most intimate spiritual self assessments This volume represents Hopkins as a man of extremes both emotionally and psychologically There are mundane memoranda about neckties to purchase or letters to write but also exacting revisions of poems There are entries of quiet rapture his attention caught by the beauty of the natural world Paintings sculptures and works of literature are stringently assessed his aesthetic principles freely exercised There are also nightmares relived undergraduate sins unsparingly recorded signs of heavenly mercy carefully noted This is the first unexpurgated edition of all extant diaries The entries extend from September 1863 during his second term at Oxford until February 1875 while studying

theology as a Jesuit in his beloved Wales and from February 1884 until July 1885 while Hopkins was living at a third remove in Dublin
