

This is how it works
You're young until you're not
You love until you don't
You try until you can't
You laugh until you cry
You cry until you laugh
And everyone must breathe
Until their dying breath
No, this is how it works
You peer inside yourself
You take the things you like
And try to love the things you took
And then you take that love you made
And stick it into some
Someone else's heart
Pumping someone else's blood
And walking arm in arm
You hope it don't get harmed
But even if it does
You'll just do it all again

Poems On Love And Life:

Poems of Love & Life Joseph W Svec III, Lidia Svec, 2022-03-24 True love is real Once upon a time two youngsters Joseph and Lidia five years apart in age met on a bus ride to a public speaking contest They began talking about life goals dreams poetry and more Over time their conversations grew into a strong friendship despite their age difference Years passed and one day they were blessed with realization that they had found their soulmates and they got engaged to be married when Joseph graduated college At the time of their engagement they had not yet kissed or even held hands for the first time One year later on the day of his graduation two best friends and soulmates were married and they never stopped courting Over the years for special occasions such as birthdays anniversaries and valentine's day or to celebrate personal moments Joseph would write rhymed and metered love poems and life poems to his beautiful bride The collection of poetry became a memoir a window into their courtship over the years As we approach our fiftieth wedding anniversary we have gathered this collection into this book *Poems of Love Life Our Courtship in Rhyme* and we are happy to share it with you the reader If it happened to us it can happen to you at any time and at any age *Poems of Love and Life for Leo* Derek & Julia Parker, 2013-01-02 Leos ever wondered what the Sun signs tell you about love and life This unique anthology of poems for love and life relates directly to your Sun sign Leo If you were born between the 23rd of July and the 23rd of August you will relate to many of the themes identified with your sign's characteristics and personality traits The poems in this collection have been chosen because they reflect a Leo attitude to life They appeal to the interests ruled by your sign the animals flowers trees plants and places celebrated by the poets and associated with the sign of Leo over three thousand years of traditional astrology Some have been chosen simply because we believe you will enjoy them and that they will awaken or reawaken your love of poetry *Poems About Art, Science, Love & Life* Ronald J. Yadusky, 2010-10-22 These poems came out of the love Dr Yadusky has for his wife Margaret and his children The will to create and the will to love are one Poems make love visible and by doing so they uplift and heal because in the presence of love everything is healed Poetry at its essence depicts a spiritual world because the mind seeks truth the heart seeks love and the spirit seeks goodness and God Poems awaken something in the reader's heart that is beyond knowledge We can define poetic creation in the same way that we define art itself namely spirit expressed into matter Poets say tangibly what they feel intangibly to give finite form to the infinite When Dr Yadusky depicts this creative spirit of love he shows us the face of God *Poems on Life and Love in Ancient India*, 2010-03-25 An elegant translation of the Sattasa or Seven Hundred India's earliest collection of lyric poetry *Poems on Life and Love in Ancient India* deals with love in its many aspects Mostly narrated by women the poems reveal the world of local Indian village life sometime between the third and fifth centuries The Sattasa offers a more realistic counterpart to that notorious theoretical treatise on love the Kamasutra which presents a cosmopolitan and calculating milieu Translators Peter Khoroche and Herman Tieken introduce the main features of the work in its own language and time For

modern readers these short self contained poems are a treat the sentiments they depict remain affecting and contemporary while providing a window into a world long past
