The Affirmation Principle Bernard M. Curtis, Ed.D, 2012-11 Take a look in any bookstore whether on line or brick and mortar and you will find dozens even hundreds of books on leadership But the focus of most of these books will be on the mechanics of leading But leadership is more than the act of leading Leadership is about the quality of relationships and influence In The Affirmation Principle Dr Bernard Curtis advances the proposition that organizations can bring out the best in people and achieve extraordinary success by understanding how to lead and care for the human spirit Dr Curtis begins by presenting the business case for the importance of organizations to understand the benefits of valuing people In part one he explores the unstated contract between employees and employers describes what organizations must do to connect with their people and challenges leaders to have the courage to change In part two he shares a new concept and model of leadership based on human affirming behaviors and sound humane principles In part three Dr Curtis shows how leaders value to the organization can be measured how they can become more accountable and what they can do to bring out the best in their people The Affirmation Principle offers some keen insights into the leader follower relationship This book provides some new tools to help the serious leader take their leadership thinking and skills to the next level

The Work and the Gift Scott Cutler Shershow, 2005-06-15 Considers how in a wide range of western culture and thought the ideas of working and giving remain locked in a fatal dilemma each one representing the other's aspirations and absolute limit Ranging from Marx and Derrida to Friedrich Hayek and Alvin Toffler Scott Cutler

Shershow here explores the predictions of political thinkers on both the left and the right that work is fundamentally changing or even disappearing the debates among anthropologists and historians about an archaic gift economy that preceded capitalism and might reemerge in its wake contemporary political battles over charity and social welfare and attempts by modern and postmodern artists to destabilize the work of art as we know it **BOOKJACKET** Quantum Leadership: Creating Sustainable Value in Health Care Nancy M Albert, Sharon Pappas, 2024-08-30 Explores leadership within the context of a new understanding of complex adaptive systems and complex responsive processes The leader is seen through a new lens of relational leadership in a way that emphasizes numerous skill sets for managing increasingly complex and diverse healthcare delivery systems in an era of constant movement and change Emphasizes the characteristics and role of the complexity leader through both describing the context of complexity and the application of the role as a leader of these complex systems Addresses postindustrial complex and highly mobile organizational systems and integrates the essential requirements for Quality Matters certification of online courses **Cambridge 2001** Mary Ann Mattoon, Robert Hinshaw, 2003 The Fifteenth Triannual Congress of the International Association for Analytical Psychology IAAP took place on the grounds of St John s College in Cambridge England from 19 to 24 August 2001 It was a memorable occasion both in its preparation and its incarnation and the present volume is meant to preserve at least a portion of what transpired the papers comprising the program The presentations and events were more far reaching and all inclusive than ever before incorporating numerous political and intercultural issues and including representatives from psychoanalysis and other fields of endeavour for the first time **The Leadership Equation** Eric Douglas, 2014-09-30 A leader s blueprint to building a high performing organization What distinguishes the most successful organizations What do the leaders and managers in these top organizations actually do In this fascinating book entrepreneur and business consultant Eric Douglas draws on his work with corporations government agencies and nonprofit organizations to paint a clear picture of what happens inside high performing organizations He reveals a simple but profound equation Trust Spark Leadership Culture Leaders and managers are most successful when they focus on building trust and sparking innovation In The Leadership Equation Douglas expands the equation into the 10 most important practices for building trust and spark As the author shares these practices he reveals both the fundamental systems at work in high performing companies and the specific day to day things that today s leaders must do to sustain high levels of success As Douglas clearly shows when trust and spark combine leaders improve the performance of their team their business unit and the entire organization and ultimately reach their own full potential

One Lance H. K. Secretan, 2006 Whenever we experience pain or sadness it is because we have become separated from what or whom we love And whenever we are inspired and joyful it is because we are one with what or whom we love All human challenges and successes can be explained through this awareness from jacket **Developing Leadership: Creating The Schools Of Tomorrow** Coles, Martin, Southworth, Geoff, 2004-11-01 Containing ideas on key topics such as

professional learning communities distributed leadership strategic thinking about ICT and sustainability this title informs school leaders about current thinking showing them how to lead schools in the 21st century Enterprise Resources Planning and Beyond Gary A Langenwalter,2020-01-03 To achieve success in today s business climate you must do more than provide high quality low cost products to customers when and how they want them Customers and suppliers require fully integrated information throughout the supply chain or value chain You must integrate your organization so completely that executive decisions are implemented effortlessly Competitive pressures often cause a reduction in prices in spite of continually rising costs A decrease in prices paired with increased costs quickly eliminates any profitability and threatens your company s ability to survive This book shows you how you can reduce costs through the elimination of waste caused by poor communication and coordination throughout a company as well as between the company its suppliers and its customers The author explains Enterprise Resource Planning ERP in non technical terms describing how an ERP system can fully integrate all functions in your manufacturing organization He demonstrates the system s capability to increase efficiency and profitability and to delight the customer as well as its current deficiencies In addition to his thorough coverage of ERP the author introduces Total Enterprise Integration TEI the process of integrating all the information required to fully support a manufacturing company TEI represents a logical extension of complete information integration throughout a manufacturing enterprise and into the supply chain This new concept shows you how the intelligent use of work flow allows responsibility to go to the most appropriate front line decision makers while maintaining proper budgetary and operational controls The power of TEI is in the integration of communication across the entire manufacturing company and out through the supply chain to customers and suppliers Enterprise Resource Planning and Beyond Integrating Your Entire Organization focuses on what a fully integrated system can do for you Features *Playing the Quantum Field* Brenda Anderson,2010-10-05 Do you often feel you are at the mercy of external forces in your life If so this book is for you Playing the Quantum Field demonstrates that you have the power to shape your own life showing how your very next choice can change struggle into play Brenda Anderson presents a fresh approach to everyday life based on the premise that everyone and everything in the universe are interconnected and she shows you how to play the quantum field to create success and joy at home or on the job She posits that the old rules no longer apply and presents a new set of rules which include ten energetic choices you can make to take control of your life and move into what she calls the Power Zone Once you grasp how easy it is to move among the choices along the energy spectrum each day will become a dynamic empowering exploration of the unlimited potential of the Field *Roadsigns* Betty Healey,2003 roadSIGNS a compilation of excerpts from Betty s popular newsletter of the same name is a delightful invitation to pay attention to daily synchronicities to show up and be more present in our own lives

It's about Learning (and It's about Time) Louise Stoll,Dean Fink,Lorna Maxine Earl,2003 The purpose of this book is to re orient the current agenda in education towards learning It is an accessible discussion woven with practical examples

and strategies and suggests useful follow up reading The Holistic Curriculum John P. Miller, 2007-03-17 Holistic education is concerned with connections in human experience connections between mind and body between linear thinking and intuitive ways of knowing between individual and community and between the personal self and the transpersonal self First published in 1988 The Holistic Curriculum examines the philosophical psychological and social foundations of holistic education outlining its history and discussing practical applications in the classroom This revised and expanded second edition concisely describes how holistic thinking integrates spiritual and scientific perspectives drawing on romantic humanistic and other radical alternatives to the atomistic worldview of the modern age The role of the teacher the issue of accountability and strategies for implementing the Holistic Curriculum are also discussed
