Recollections Of An Old Musician:

Recollections of an Old Musician Thomas Ryan,1890

Recollections of an Old Musician Thomas Ryan,1899

Recollections of an Old Musician Thomas Ryan,2015-06-15 Excerpt from Recollections of an Old Musician

Retrospection is the inheritance of mature age We all love to recall the scenes of the past and the companions of our pleasures or sorrows I often order memory to unroll slowly before my mental vision the panorama of my past life Upon some of the scenes I look with a strong desire to chain the wheels that move them from view but with others those wheels cannot turn too quickly The first picture I call up stands out clearly defined I see myself as a boy again landing on America s shore with the pleasures of hope shining in my eyes for a good fairy has touched the new land with her magic wand and every object I look upon is strangely beautiful The same good fairy leads me up State Street and Court Street in Boston and wandering aimlessly and boylike I follow up the hill into Pemberton Square I stand there and look round at the solid comfortable stately mansions of old Boston s aristocracy and possibly I feel my own insignificance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Strong on Music Vera Brodsky Lawrence,1999-02 In Strong on Music Vera Brodsky Lawrence uses the diaries of lawyer and music lover George Templeton Strong as a jumping off point from which to explore every aspect of New York City s musical life in the mid nineteenth century This third and final volume ranges across opera orchestral and chamber music blackface minstrels military bands church choirs and even concert saloons Among the many striking scenes vividly portrayed in Repercussions are the rapturous reception of Verdi s Ballo in maschera in 1861 the impact of the Civil War on New York s music scene from theaters closing as their musicians enlisted to the performance of The Star Spangled Banner at every possible occasion and open air concerts in the developing Central Park Throughout Lawrence mines a treasure trove of primary source materials including daily newspapers memoirs city directories and architectural drawings Indispensable for scholars Repercussions will also fascinate music fans with its witty writing and detailed descriptions of the cultural life of America s first metropolis Formerly a concert pianist Vera Brodsky Lawrence spent the last third of her life as a historian of American music she died in 1996 She was editor of The Piano Works of Louis Moreau Gottschalk and The Complete Works of Scott Joplin On Volume 1 A marvelous book There is nothing like it in the literature of American music

Harold C Schonberg New York Times Book Review On Volume 2 A monumental achievement Victor Fell Yellin Opera Quarterly

Louis Moreau Gottschalk S. Frederick Starr, 2000 Innovating American composer virtuoso pianist and swashbuckling Romantic hero Louis Moreau Gottschalk produced immensely popular works combining the French Hispanic and African influences of his native New Orleans Many of his syncopated compositions anticipated ragtime by half a century S Frederick Starr s biography originally published as *Bamboula* is the most extensive chronicle available of Gottschalk s eventful life Starr examines Gottschalk s music his frenetic life on the road his virtuosity as a performer his effect on his audiences and the scandals surrounding his romantic dalliances He also reveals a generous and compassionate man who sponsored a host of young musicians and provided financial support for his many siblings Michael Costa: England's First Conductor John Goulden, 2016-04-22 Among the major changes that swept through the music industry during the mid nineteenth century one that has received little attention is how musical performances were managed and directed Yet this was arguably the most radical change of all from a loose control shared between the violin leader musical director and maestro al cembalo to a system of tight and unified control under a professional conductor manager This process brought with it not only baton conducting in its modern form but also higher standards of training and discipline a new orchestral lay out and a more focused rehearsal regime The resulting rise in standards of performance was arguably the greatest achievement of English music in the otherwise rather barren mid Victorian period The key figure in this process was Michael Costa who built for himself unprecedented contractual powers and used his awesome personal authority to impose reform on the three main institutions of mid Victorian music the opera houses the Philharmonic and the Sacred Harmonic Society He was a central figure in the battles between the two rival opera houses between the Philharmonic and the New Philharmonic and between the venerable Ancient Concerts and the mass festival events of the Sacred Harmonic Society Costa s uniquely powerful position in the operatic symphonic and choral world and the rapidity with which he was forgotten after his death provide a fascinating insight into the politics and changing aesthetics of the Victorian musical world **Sweet Songs for Gentle Americans** Nicholas E. Tawa, 1980 Popular parlor songs were the main form of secular musical entertainment in the early years of the United States They were heard regularly in the homes of our principal statesmen authors intellectuals professionals and businessmen Laborers and slaves also sang them They were the principal fare of concert and stage performances and were freely interpolated into Italian operas Shakespearean plays lyceum lectures and church services In short parlor songs played a dominant role in American cultural history This was the music that Jefferson Lincoln Longfellow Whitman and Emily Dickinson enjoyed Yet whether owing to prejudice or misinformation we still know little about the songs they listened to and sang why and for whom written when heard or how performed This book attempts to contribute that knowledge Contemporary diaries biographies fiction newspapers periodicals and books on music were studied and the music itself exhaustively analyzed in order to reach accurate conclusions about the popular culture that emerged between the

American Revolution and the Civil War The reader comes away with a sympathetic understanding of the human hopes fears and joys embodied in the songs and with a curiosity about the countless melodic gems awaiting exploration Good Music for a Free People Nancy Newman,2010 In this book the author examines the activities and reception of the Germania Musical Society an orchestra whose members emigrated from Berlin during the revolutions of 1848 These two dozen Forty eighters gave nearly a thousand concerts in North America during the ensuing six year period possibly reaching a million listeners Drawing on a memoir by Henry Albrecht the author provides insights into the musicians desire to bring their music to the audiences of a democratic republic at this turbulent time Eager to avoid the egotism and self promotion of the European patronage system they pledged to work for their mutual interests both musically and socially One for all and all for one became their motto Sotheran's Price Current of Literature Henry Sotheran Ltd,1903 **Bulletin of the Lynn Free Public Library** Lynn Free Public Library (Lynn, Mass.),1904 **Sotheran's Price Current of Literature** ,1903 **High School Reading List Suggestive for the Small Town with a Good Library** E. Mildred Crane,1923 The Saxophone Stephen Cottrell,2013-02-05 In the first fully comprehensive study of one of the world s most iconic musical instruments Stephen Cottrell examines the saxophone s various social historical and cultural trajectories and illustrates how and why this instrument with its idiosyncratic shape and sound became important for so many different music makers around the world After considering what led inventor Adolphe Sax to develop this new musical wind instrument Cottrell explores changes in saxophone design since the 1840s before examining the instrument s role in a variety of contexts in the military bands that contributed so much to the saxophone s global dissemination during the nineteenth century as part of the rapid expansion of American popular music around the turn of the twentieth century in classical and contemporary art music in world and popular music and of course in jazz a musical style with which the saxophone has become closely identified **Reports of the Town Officers ...** Bedford (Mass.),1899 Annual Report Bedford (Mass.),1901 **The Book Buyer** ,1899 A review and record of current literature Lamp ,1900

Unveiling the Magic of Words: A Report on "**Recollections Of An Old Musician**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
