Sherman was an American soldier businessman educator and author He served as a General in the Union Army during the American Civil War 1861-65 for which he received recognition for his outstanding command of military strategy as well as criticism for the harshness of the scorched earth policies that he implemented in conducting total war against the Confederate States Military historian Basil Liddell Hart famously declared that Sherman was the first modern general Sherman served under General Ulysses S Grant in 1862 and 1863 during the campaigns that led to the fall of the Confederate stronghold of Vicksburg on the Mississippi River and culminated with the routing of the Confederate armies in the state of Tennessee In 1864 Sherman succeeded Grant as the Union commander in the western theater of the war He proceeded to lead his troops to the capture of the city of Atlanta a military success that contributed to the re-election of President Abraham Lincoln Sherman's subsequent march through Georgia and the Carolinas further undermined the Confederacy's ability to continue fighting He accepted the surrender of all the Confederate armies in the Carolinas Georgia and Florida in April 1865 When Grant became president Sherman succeeded him as Commanding General of the Army 1869-83 As such he was responsible for the conduct of the Indian Wars in the western United States He steadfastly refused to be drawn into politics and in 1875 published his *Memoirs* one of the best known firsthand accounts of the Civil War
