first edition of *Mentoring Beginning Teachers* was named an Outstanding Academic Title by the American Library Association's *Choice* magazine in 2000. The expanded second edition, packed with insights, anecdotes, and updated research, provides mentors with a road map for helping new teachers become confident, reflective educators. The collaborative model outlined in the book is enlightening and rewarding for the mentor and the novice alike. The authors have incorporated the latest findings on all aspects of mentoring, from preparing to be a mentoring guide or coach to school culture and parent outreach. Teachers will find five new chapters on working with ELL students, working with parents, curriculum mapping, school culture, and the role of administrators within an effective mentoring system. Organized around a series of questions, the book allows mentors to quickly locate practical advice to match any mentoring situation. The range of resources includes recommendations for pairing mentors and teachers, questions to jump-start conversations, ideas for teacher reflection, and answers to the most commonly asked mentor questions. *Mentoring Beginning Teachers, Second Edition* provides a comprehensive and tested plan for helping mentors guide new teachers in moving beyond the basics of plan, teach, evaluate to a higher level of joint assessment and inquiry.

Mentoring Languages Teachers in the Secondary School Laura Molway, Anna Lise Gordon, 2025-05-21. *Mentoring Languages Teachers in the Secondary School* helps mentors of beginning languages teachers in both developing their own mentoring skills and providing the essential guidance beginning teachers need as they navigate the roller coaster of the first years of teaching. Offering tried and tested strategies based on the best research and evidence, it covers the knowledge, skills, and understanding every mentor needs and offers practical tools such as lesson plans, feedback guides, observation sheets, and examples of dialogue with beginning languages teachers. Research suggests that the role of the mentor is highly influential to the beginning teacher, and this book considers language-specific aspects as well as a focus on the holistic well-being of the beginning teacher. Together with analytical tools for self-evaluation, this book is a vital source of support and inspiration for all those involved in developing the next generation of outstanding languages teachers. Key topics explained include the following: Roles and responsibilities of mentors; The subject knowledge and understanding required by beginning languages teachers; The lesson planning process; Guidance on teaching core skills of reading, writing, speaking, and listening; Development opportunities for languages teachers; Observations and pre and post lesson discussions. Filled with the key tools needed for the mentor's individual development, this new text offers an accessible guide to mentoring languages teachers with ready-to-use strategies that support, inspire, and elevate both mentors and beginning teachers alike.

The New Era in

Home and School ,1940 **Improving Teacher Education Practice Through Self-study** John Loughran,Tom Russell,2004-11-23 Self study in teacher education is a growing field and a natural progression from the concept of reflective practice for pre service teachers This book is designed to introduce teacher educators to the theory and practice of self study in order to explore understand and improve their teaching about teaching With studies from an international range of contributors this book illustrates a variety of approaches to self study It describes the issues that teacher educators have chosen to study how they carried out their research and what the learning outcomes were Throughout the emphasis is on placing teacher educators knowledge and practice at the centre of their academic work This book will be of interest to all teacher educators wishing to improve their knowledge and practice Action Research for New Teachers Colin Forster,Rachel Eperjesi,2017-03-25 Action research is a popular part of many teacher training courses but understanding how to do it well isn t always straightforward Action Research for New Teachers breaks the process down into small steps giving you concise jargon free guidance on all the issues and key considerations that you will need to tackle It focuses on being evidence based encouraging you to produce evidence rich research projects that are methodologically sound and stand up to scrutiny This book takes you through the initial stages of planning and research design engages with the complexities of data collection and gives you advice on analyzing your data and writing up your research project **The Balance Sheet** , *The Strike That Changed New York* Jerald E. Podair,2003-01-01 This admirably balanced book will most likely stand as the definitive account of the Ocean Hill Brownsville crisis for some time engrossing New York History Winner of the Allan Nevins Prize awarded by the Society of American Historians On May 9 1968 junior high school teacher Fred Nauman received a letter that would change the history of New York City It informed him that he had been fired from his job Eighteen other educators in the Ocean Hill Brownsville area of Brooklyn received similar letters that day The dismissed educators were white The local school board that fired them was predominantly African American The crisis that the firings provoked became the most racially divisive moment in the city in more than a century sparking three teachers strikes and increasingly angry confrontations between black and white New Yorkers at bargaining tables on picket lines and in the streets This superb book revisits the Ocean Hill Brownsville crisis a watershed in modern New York City race relations Jerald E Podair connects the conflict with the sociocultural history of the city and explores its legacy The book is a powerful sobering tale of racial misunderstanding and fear and a New York story with national implications Deftly weaves a complicated story about class and race labor and civil rights There are no faultless heroes or thoroughly evil villains here only human beings struggling to make sense of their world and achieve justice as they understand it Choice Compelling Washington Monthly
