Christensen,2014-10-31 Kenneth A Christensens THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductors life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenagers professional conducting debut at Rio de Janerios Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscaninis vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagners descendants are quoted alongside his confrontations with Hitler

Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western world's supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers' inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallo's Pagliacci and three by Puccini including La Bohème La Fanciulla del West and Turandot Toscanini served as musical director of the Teatro Regio in Turin 1895-98 La Scala in Milan 1898-1908 New York's Metropolitan Opera 1908-1915 barely missed dying upon the Lusitania becoming musical director of La Scala again 1920-1929 the New York Philharmonic 1926-1936 and the NBC Symphony Orchestra 1937-1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son-in-law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Björling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention

Sound & Score Virginia Anderson (Musicologist), 2013 *Sound and Score* brings together music expertise from prominent international researchers and performers to explore the intimate relations between sound and score and the artistic possibilities that this relationship yields for performers composers and listeners Considering notation as the totality of words signs and symbols encountered on the road to an accurate and effective performance of music this book embraces different styles and periods in a comprehensive understanding of the complex relations between invisible sound and mute notation between aural perception and visual representation and between the concreteness of sound and the iconic essence of notation Three main perspectives structure the analysis a conceptual

approach that offers contributions from different fields of enquiry history musicology semiotics a practical one that takes the skilled body as its point of departure written by performers and finally an experimental perspective that challenges state of the art practices including transdisciplinary approaches in the crossroads to visual arts and dance **Billboard** ,1972-10-28
In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Strad* ,1926 **Record Research** ,1976
