Controlling Misbehavior in England, 1370-1600 Marjorie Keniston McIntosh, 2002-06-20 In this important study Professor McIntosh argues against the suggestion that social regulation was a distinctive feature of the decades around 1600 resulting from Puritanism Instead through an examination of 255 village and small town communities distributed throughout England Professor McIntosh demonstrates that concern with wrongdoing mounted gradually between 1370 and 1600 In an attempt to maintain good order and enforce ethical conduct local leaders prosecuted people who slandered or quarrelled with their neighbours engaged in sexual misdeeds operated unruly alehouses or refused to work Professor McIntosh also explores who the offenders were as well as the factors that led to misbehaviour and shaped responses to it More generally Professor McIntosh sheds light on the transition from medieval to early modern patterns and succeeds here in opening up little known sources and new research methods The Heads of Religious Houses David M. Smith, Vera C. M. London, 2001-08-09 This

### **Border Bloodshed**

Alastair J. Macdonald, 2008-03-04 Scottish military offensives against England from 1369 were largely the product of government policy were launched with careful timing and in the reign of Robert II involved close co operation with France They succeeded militarily encouraging the Scots to the point where they were willing to engage in attacks on England beyond the ambition of their French allies However diplomatic gains fell well short of forcing English recognition of Scottish independence Hopes of achieving this by military means were ended in the reign of Robert III when the Scots were heavily defeated in 1402 War was not solely fought with political objectives in mind or other rational factors such as the quest for financial gain The Scots went to war for emotive reasons too such as hatred of the English the search for renown and the sheer enjoyment of fighting All these factors inspired the Scots to launch a series of bloody brutal and ultimately futile offensives against England
