Recovering Couples Anonymous, 1996-06-01 A Couple's Guide to Sexual Addiction Paldrom Collins, George N.
Collins, 2011-11-18 Like other psychiatric disorders sexual addiction is a condition that affects people's relationships with others as much as it affects their own mental state. Individuals suffering from sexual addiction typically pursue sex through any means possible and often engage in risky forms of sexual activity such as exhibitionism, promiscuous sex with multiple partners, online sex, etc. It's easy to see how a couple's relationship may be challenged by the manifestations and reality of a disorder like this one. A Couple's Guide to Sexual Addiction discusses common relationship issues within the context of sexual addiction and provides the reader with exercises, information, and advice on the following topics: Trust, Communication, Healthy sexuality, sexual behaviors, Family. By understanding the reality of sexual addiction and what it means for a relationship, couples will be able to better relate to each other and plan for a successful future. Recover to Live
Christopher Kennedy Lawford, 2014-01-07 NEW YORK TIMES BESTSELLER From New York Times bestselling author of *Symptoms of Withdrawal* and *Moments of Clarity*, Christopher Kennedy Lawford comes a book that will save lives. For most of his early life, Christopher Kennedy Lawford battled life-threatening drug and alcohol addictions. Now in recovery for more than 25 years, he works to effect change and raise global awareness of addiction in nonprofit, private, and government circles, serving as the goodwill ambassador for drug dependence treatment and care for the United Nations. For the first time, *Recover to Live* brings together all of the most effective self-care treatments for the seven most toxic compulsions affecting every culture on the planet today: alcohol dependence, drug dependence, eating disorders, gambling, hoarding, smoking, sex, and porn. In *Recover to Live*, more than 100 of the world's top experts, interviewed by Lawford, share their research and wisdom on how to determine if your bad habit is becoming a dependency, what treatments will work best for you, how best to help yourself or a loved one recover from addiction, and how to lead a fulfilling and productive life in recovery. **Joining Forces**
Howard Fradkin, Dr., 2012-11-05 This inspirational book was written to empower male survivors of sexual victimization at any age to overcome the effects of trauma and learn to thrive. Male survivors often struggle to feel any sense of hope for the future, so *Joining Forces* is designed to inspire them and their allies with easily mastered skills developed over the course of psychologist Dr. Howard Fradkin's 30-year career and the real-life experiences of other survivors who have learned to thrive. Each chapter invites survivors to dare to dream that they can take another step in their healing process by leaving their isolation behind, challenging their dysfunctional beliefs, and replacing them with healthier, functional messages; practicing healing exercises; reading about the struggles and successes of men just like them; and learning how to build hope through the use of affirmations. This book is unique in that it is based on the experiences of over 800 participants in Male Survivor Weekends of Recovery. The tools taught during those workshops, plus many more developed through Dr. Fradkin's clinical

experiences are presented so that each survivor has an opportunity to use coping skills as he faces the challenges of his recovery. Survivors and their allies will learn that they are not alone in their struggles and that others have walked in their path, become stronger, and found a sense of freedom. They'll read about how to make healthier choices to enhance their relationships, emotional functioning, and job performance, and to thrive in their lives. The Recovery Cycle Joi Andreoli, 2022-09-28

This book introduces the Recovery Cycle, the only relatable model for positive change in sobriety and a simple roadmap for sober living. The author, a clinician in recovery herself, demonstrates how to talk to clients or anyone with an interest in sobriety in a pragmatic, like-minded way. The easy conversational style encourages cultivation of solid sober relationships and spiritual connections, all with an achievable, open-minded approach. Concrete methods honor the thinking and feeling parts of the recovering individual, thereby promoting personal empowerment and choice rather than generic prescriptive advice. The book speaks to all addiction disorders and discusses what every addicted person must go through to love their sober life, no matter what program they choose, no matter what addiction. Readers will find the journey toward emotional sobriety and spiritual recovery discussed in a simple, straightforward way with depth and compassion. For clinicians who want to guide clients in recovery or for any motivated individual in recovery desiring to transform their life from one of pain and struggle to a beautiful work of heart, this book will be a welcome spark of inspiration and support without the snore factor of a dry textbook. **Recovery from Sexual Addiction: a Man's Guide** Paul Becker, 2012-05-14

Recovery from Sexual Addiction: A Man's Guide and a companion workbook help men learn how to achieve a high level of commitment to change their behavior and thinking. Men are introduced to insights on how to move out of compulsive behavior, depressed mood, and isolation into a more fulfilling life. Readers will learn about the Addicts Life Scale, a simple yet insightful tool that illustrates how one's mood is directly related to destructive acting-out behaviors. Once a man becomes aware of his mood levels, he can begin to take proactive steps to reach and sustain a mood level where he feels confident and motivated to remain free of destructive acting-out behaviors. Book chapters are structured to help men examine their most personal issues, including the nature and origin of sexual addiction, the roles of anger, anxiety, isolation, and depression in sexual addiction, how co-dependency fosters sexual addiction, how to cultivate self-awareness and improved attitude, and creating a healthy life style absent sexually acting out. Ultimately, readers will discover the satisfaction that comes from improved relationships with their spouses, children, other men, and God. Paul Becker's unique Recovery From Sexual Addiction series includes a core book, client workbook, and a clinician guide. The three texts use an interactive approach to help therapists and clients thoroughly explore the roots of sexual addiction and effective ways to achieve long-term recovery. The series is especially helpful to therapists who prefer to base recovery on principles proven by Dr. Patrick Carnes. *Shades of Hope* Tinnie
