**Civil War on the Missouri-Kansas Border**  
Donald Gilmore, 2005-11-30 During the Civil War the western front was the scene of some of that conflict's bloodiest and most barbaric encounters as Union raiders and Confederate guerrillas pursued each other from farm to farm with equal disregard for civilian casualties Historical accounts of these events overwhelmingly favor the victorious Union standpoint characterizing the Southern fighters as wanton unprincipled savages But in fact as the author himself a descendant of Union soldiers discovered the bushwhackers' violent reactions were understandable given the reign of terror they endured as a result of Lincoln's total war in the West In reexamining many of the long held historical assumptions about this period Gilmore discusses President Lincoln's utmost desire to keep Missouri in the Union by any and all means As early as 1858 Kansan and Union troops carried out unbridled confiscation or destruction of Missouri private property until the state became known as the burnt region These outrages escalated to include martial law throughout Missouri and finally the infamous General Orders Number 11 of September 1863 in which Union general Thomas Ewing federal commander of the region ordered the deportation of the entire population of the border counties It is no wonder that faced with the loss of their farms and their livelihoods Missourians struck back with equal force

Mavericks on the Border J. Douglas Canfield, 2014-10-17 Twentieth century authors and filmmakers have created a pantheon of mavericks some macho others angst ridden who often cross a metaphorical boundary among the literal ones of Anglo Native American and Hispanic cultures Douglas Canfield examines the concept of borders defining them as the space between states and cultures and ideologies and focuses on these border crossings as a key feature of novels and films about the region Canfield begins in the Old Southwest of Faulkner's Mississippi addressing the problem of slavery travels west to North Texas and the infamous Gainesville Hanging of Unionists during the Civil War and then follows scalpers into the Southwest Borderlands He then turns to the area of the Gadsden Purchase known for its outlaws and Indian wars before heading south of the border for the Yaqui persecution and the Mexican Revolution Alongside such well known works as *Go Down Moses* *The Wild Bunch* *Broken Arrow* *Gringo Viejo* and *Blood Meridian* Canfield discusses novels and films that tell equally compelling stories of the region Protagonists face various identity crises as they attempt border crossings into other cultures or mindsets some complete successful crossings some go native and some fail He analyzes figures such as Geronimo Doc Holliday and Billy the Kid alongside less familiar mavericks as they struggle for identity purpose and justice
