## Red Limbo Lingo:

Lawrence Durrell's Poetry Isabelle Keller-Privat, 2019-04-25 This book offers the first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973. Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional, drawing links to his novels and residence books which he kept writing at the same time. Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T. S. Eliot, Michael Fraenkel, Henry Miller and David Gascoyne. Simultaneously, this book shows why Durrell must also be read as the heir to the greatest English romantic poets, Byron, Shelley, Keats and Wordsworth, as well as to the French symbolists and modernists from Baudelaire to Nerval, Valéry and Cendrars. This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship. The symbolic patterns, the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry, the fictional and the lyrical, the descriptive and the abstract. Poetry excerpts, extracts from his residence books, novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who, although never at home with the world he lived in, strove to create a life world, what semiologists call the *Umwelt*. From the Elephant's Back Lawrence Durrell, 2015-08-16 Rare and previously unpublished essays and letters showcasing Durrell's wit, elegance, philosophy, *joie de vivre* and flaming intelligence. The Irish Times: The proverb says that whoever sees the world from the back of an elephant learns the secrets of the jungle and becomes a seer. I had to be content to become a poet. Lawrence Durrell. Best known for his novels and travel writing, Lawrence Durrell defied easy classification within twentieth century Modernism. His anti-authoritarian tendencies put him at odds with many contemporaries, aesthetically and politically. However, thanks to a compelling recontextualization by editor James Gifford, these thirty-eight previously unpublished and out of print essays and letters reveal that Durrell's maturation as an artist was rich, complex and subtle. Durrell fans will treasure this selection of rare nonfiction, while scholars of Durrell, Modernist literature, anti-authoritarian artists and the Personalist movement will also appreciate Gifford's fine editorial work. Gifford's scholarly command of the archives shows especially his working intimacy with the unpublished, archived words of Durrell's editors, publishers and collaborators. I have no doubt that this collection will serve as a starting point for any number of new critical ventures into the life and writing of Lawrence Durrell. Charles Sligh, University of Tennessee at Chattanooga. **Lawrence Durrell** Ian S. MacNiven, 2020-08-11 The prize-winning biography of the celebrated author of the Alexandria Quartet and the Avignon Quintet, an elegant and meticulous treat. Kirkus Reviews. A New York Times Notable Book. Born in colonial India in 1912, Lawrence Durrell established his literary reputation as a citizen of the Mediterranean. After attending school in England, Durrell escaped the country he dubbed Pudding Island for the Greek

island of Corfu only to make another escape this time from Nazi invasion to Egypt His experiences in wartime Alexandria led to a quartet of novels beginning with Justine that are collectively considered some of the great masterpieces of postwar fiction Durrell's peripatetic life which eventually took him to the South of France fed his work with the richness and drama of his various adoptive homes A man of protean talents Durrell is celebrated for his fiction and poetry as well as his highly regarded translations essays and travel literature In researching this authorized biography Ian S MacNiven traveled over a period of twenty years from India to California interviewing hundreds of individuals and visiting all but one of the many places Durrell lived The result is an intimate portrait of a literary titan that was awarded a prize by the French city of Antibes for the year's best study on Durrell

**The Stronger Sex** James R. Nichols, 2011-04-18 The Stronger Sex a study of the women in the fiction of Lawrence Durrell argues that Lawrence Durrell envisioned a new woman self confident free of male domination and able to serve direct and protect her dependent man Durrell's modern twentieth century woman is the center of what Durrell envisions as the new couple woman dependent upon man for completion and man dependent upon the centrality of woman for the essential wisdom and direction and meaning in his life Far from being a mere follower of D H Lawrence as many have claimed Durrell came to insist that man must first cede to woman both the personal and social power and freedom which he has throughout history denied her Only in this way suggests Durrell can modern man both find himself and save himself and so discover and fulfill his own being Thus all of Durrell's women are the saviors of the lost men who must come to them for human completion From the women of the early works such as Panic Spring The Pied Piper of Lovers The Black Book and The Dark Labyrinth to the Justines Melissas and Cleas of the Alexandria Quartet the Benedictas and Iolanthes of The Revolt of Aphrodite the Constances and Livias of The Avignon Quintet and Cunegonde of Caesar's Vast Ghost all of Durrell's lost and ever inadequate men must ultimately find themselves and the meaning of their lives in the women who complete them Then paradoxically and only then can these same men provide the security direction and protection for which their women so desperately search Thus in the couple both man and woman are completed in their mutual dependence and final self discovery The study refers often to the works of previous biographers of Lawrence Durrell Ian MacNiven Richard Pine and Gordon Bowker
