Red Mafiya Robert Friedman, 2002-07-01 In the past decade the Russian mob has become the world's fastest growing criminal superpower Trafficking in prostitutes heroin and missiles the Mafiya poses an enormous threat to global stability and safety With the breakup of the Soviet Union the Russian mob quickly became the dominant power in a weakened impoverished Russia And it has now spread to the U S infiltrating its banks and brokerage firms A number of top criminals have gone on record about their activities for the first time in this book The revelation the Red Mafiya is everywhere with staggering implications for law enforcement the economy foreign policy for the American people themselves Photos **House of Trump, House of Putin** Craig Unger, 2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the

Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump's inauguration as president of the United States That moment was the culmination of Vladimir Putin's long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump's apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump's sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia's phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today's world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth

Bandits, Gangsters and the Mafia Martin McCauley, 2014-06-06 During the 1990s the roving bandits big business or the oligarchs stole Russia They gained influence over President Yeltsin and his government and gradually shaped policy in their own interests In this first comprehensive account to explain why Russia took the course it did Martin McCauley examines the period through the prism of government including Yeltsin's shadow government and looks at the military police security and intelligence services Relations between Moscow and the regions industry agriculture social policy and foreign policy are also explored

Rural Writing Mauricette Fournier, 2019-01-17 If as a corollary of urbanization many artists seized as early as the nineteenth century and most of the twentieth century the city as object and scene of their reflection on a world under construction it was not the same for rural areas Generally speaking until recently the countryside's representations have been shaped by the writings of a ruling class However in recent decades alongside the country novels or terroir novels that follow in line with the rustic current initiated in the nineteenth century more demanding literary productions have emerged These writings often fed by the sense of loss and the end of a certain agricultural lifestyle are also exploring the contemporary reconstructions of rural areas little publicized They redefine a new regionality less militant and certainly less connoted in its nostalgic link to the land This book revisits rural areas and their representations in contemporary writing in both popular and high culture in order to draw a global landscape of current rural areas and new regionalities

Nation Under Blackmail - Vol. 1 Whitney Alyse Webb, 2022-10-20 Exposes vastly under explored topics compared to other media reports and books on Jeffrey Epstein How did Jeffrey Epstein manage to evade justice for decades Who enabled him and why Why were legal officials told that Epstein belonged to intelligence and to back off during his first arrest in the mid 2000s Volume 1 of One Nation Under Blackmail traces the origin of the network behind Jeffrey Epstein and his associates to the merging of organized crime and intelligence networks during World War II and follows their most notable activities through the decades Various scandals acts of corruption and other crimes throughout the last several decades of American history many involving sex blackmail can be traced back to these same networks which have subverted and taken control of many of America s most important institutions for their benefit and to the detriment of the public **Blood Brothers** B. Lintner, 2016-04-30 From pirates singing Ricky Martin to mob hits carried out with samurai swords Bertil Lintner offers a fascinating look at organized crime in the Asia Pacific Both Western and Asian pundits assert that shady deals are an Asian way of life Some argue that corruption and illicit business ventures gambling prostitution drug trafficking gun running oil smuggling are entrenched parts of the Asian value system Yet many Asian leaders maintain that their cities are safer than Sydney Amsterdam New York and Los Angeles Making use of expertise gained from twenty years of living in Asia Lintner exposes the role crime plays in the countries of the Far East In *Blood Brothers* he takes you inside the criminal fraternities of Asia examining these networks and their past histories in order to answer one question How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters *Transnational Organized Crime and Jihadist Terrorism* Michael Fredholm, 2017-09-14 This book describes and analyzes the convergence of transnational organized crime and jihadist terrorism that has taken place within Russian speaking social networks in Western Europe Studies have shown that while under certain circumstances links between criminal organizations and terrorist groups appear these are usually opportunistic and temporary in nature Only rarely do they develop into something deeper and transformative a convergence between crime and terrorism This book reveals that Russian speaking transnational organized crime and jihadist terrorism pose a serious threat to security and constitute a major challenge for law enforcement Through their links with transnational organized crime Russian speaking jihadist networks from the Caucasus and Central Asia have easier access to weaponry commercial explosives and forged IDs than many other jihadist networks Being in effect an integral component of transnational organized crime the Russian speaking jihadists can be assessed as potentially more capable than many other jihadists The book assesses the effects of terrorism and organized crime on Russian speaking diasporas in Western Europe and examines the implications for counterterrorism as well as policing on how to counteract the illegal activities of these networks Drawing on Swedish court cases the work shows that an additional and sometimes more effective way to fight terrorism is by focusing on the non terrorist types of crime perpetrated by terrorists This book will be of much interest to students of terrorism and counter terrorism political violence criminology security studies and IR in general

Crime in Progress Glenn Simpson, Peter Fritsch, 2019-11-26 1 NEW YORK TIMES BESTSELLER I've read kind of all the books on this subject and this is the one you want to read Rachel Maddow Before Ukraine before impeachment This is the never before told inside story of the high stakes four year long investigation into Donald Trump's Russia ties culminating in the Steele dossier and sparking the Mueller report from the founders of political opposition research company Fusion GPS Fusion GPS was founded in 2010 by Glenn Simpson and Peter Fritsch two former reporters at The Wall Street Journal who decided to abandon the struggling news business and use their reporting skills to conduct open source investigations for businesses and law firms and opposition research for political candidates In the fall of 2015 they were hired to look into the finances of Donald Trump What began as a march through a mind boggling trove of lawsuits bankruptcies and sketchy overseas projects soon took a darker turn The deeper Fusion dug the more it began to notice names that Simpson and Fritsch had come across during their days covering Russian corruption and the clearer it became that the focus of Fusion's research going forward would be Trump's entanglements with Russia To help them make sense of what they were seeing Simpson and Fritsch engaged the services of a former British intelligence agent and Russia expert named Christopher Steele He would produce a series of memos which collectively became known as the Steele dossier that raised deeply alarming questions about the nature of Trump's ties to a hostile foreign power Those memos made their way to U.S. intelligence agencies and then to President Barack Obama and President elect Trump On January 10 2017 the Steele dossier broke into public view and the Trump Russia story reached escape velocity At the time Fusion GPS was just a ten person consulting firm tucked away above a Starbucks near Dupont Circle but it would soon be thrust into the center of the biggest news story on the planet a story that would lead to accusations of witch hunts a relentless campaign of persecution by congressional Republicans bizarre conspiracy theories lawsuits by Russian oligarchs and the Mueller report In Crime in Progress Simpson and Fritsch tell their story for the first time a tale of the high stakes pursuit of one of the biggest most important stories of our time no matter the costs
