Red Of His Shadow:

The Red of His Shadow Mayra Montero, 2002-07-18 It is Holy Week and the Haitian sugar cane harvesters can temporarily forget their misery and lose themselves in the fervor of Voudon But amidst the colorful festival a struggle for power as well as a devastating passion develops between Mistress Zul a Voudon priestess and spiritual leader and the infamous bloodthirsty Simil Bolosse a rival Voudon priest backed by the tontons macoutes Based on true events *The Red of His Shadow* evokes ferocious love intense hatred and the specter of death looming within life Written in a prose remarkable for its clarity and musicality the novel manages to be both richly symbolic and intensely physical Behind a case that Dominican police closed as a simple crime of passion pulses the spell of a war that remains unfinished today *The Shadow's Heart* K. J. Taylor, 2014-12-30 THE CONCLUSION TO K J TAYLOR S COMPELLING AND EXCITING SFFANZ RISEN SUN TRILOGY Half breed Queen Laela Taranis ii is in more danger than ever before Her subjects hate her her closest allies including her griffin have fallen and most worryingly the Night God s immortal assassin The Shadow That Walks is bent upon reaping vengeance As her enemies close in on all sides her methods of maintaining power increase in desperation and violence Laela s half brother Kullervo is supposed to be her strongest ally But as he comes to terms with both who he is and what his sister s reign means to the land he begins to doubt his once strong loyalties With the conflict drawing to its bloody close he must decide what he s truly prepared to fight for a choice that could have dire consequences for all he once held dear Meanwhile a new threat is lurking in the darkness the Night God s final deadly pawn It is this shadow that will decide the outcome of the war and its power that will seal the fates of all involved [The Shadow Drawing](#) Francesca Fiorani, 2020-11-17 Insightful and beautiful A wonderful study of how Leonardo s art and science are interwoven Walter Isaacson author of *Leonardo Da Vinci* A New York Times Book Review Editors Choice Shortly after Leonardo da Vinci s death his peers and rivals created the myth of the two Leonardos there was Leonardo the artist and then later in life Leonardo the scientist In this pathbreaking biographical interpretation the art historian Francesca Fiorani tells a very different and much more interesting story Taking a fresh look at Leonardo s celebrated but challenging notebooks and other sources Fiorani shows that Leonardo became fluent in science when he was still young man As an apprentice in a Florence studio he was especially interested in the science of optics He aspired to use this knowledge to capture as no artist before him had ever done the interior lives of his subjects to paint the human soul in its smallest tenderest motions and vicissitudes And then he hoped to take one further step to gather his scientific knowledge together in a book that would be even more important than his paintings In *The Shadow Drawing* Fiorani revises our understanding of Leonardo the artist s most renowned paintings and reconstructs the wisdom Leonardo the author hoped to impart The result is both a stirring biography and a bold reconsideration of how the Renaissance understood science and art and of what was lost when the two were sundered Fiorani s lively intellectual adventure gives us new understanding and appreciation of Leonardo s cross fertilization of art

and science It is a perceptive biography of Leonardo exploring the frontiers of science but also a brilliantly informative guide to his paintings Ross King author of Brunelleschi's Dome Leonardo and the Last Supper and Mad Enchantment

Marat/Sade ; The Investigation ; and The Shadow of the Body of the Coachman Peter Weiss,1998-01-01 Peter Weiss 1916 1982 was virtually unknown in the mid 1960s when Peter Brook made Marat Sade into a film The weaving of time space plot real and imagined characters sexual liberation and surrealist imagery made Marat Sade a sensation Little did audiences realize that this counterculture classic was written by a German Jew At that time Weiss was also at work on a play about Auschwitz The Investigation These two dramas are in this volume along with The Shadow of the Body of the Coachman All are cogently introduced and edited by Robert Cohen **Antioch-on-the-Orontes** George Wicker Elderkin,Richard
