Red River Requiem:

Requiem's Reach R.M. Garino, 2019-03-31 They are the E ine The fallen Aesari They who defied the edict of Heaven The elder race The time of their end has come But not all of them are content to accept their fate An ancient war is coming to a close and the E ine face the extinction of their race When desperate calls to surrender signal the breaking resolve of his people Malachite seeks the fabled land of Raqui It exists only as shards of mythology relegated to mad ravings in obscure texts But he believes this is the safe haven his people need Armed with the perfect mathematical equation and an unstoppable team he must open a gateway to a new world But first they must survive the fall of their homeland and destroy the Lo ademn the demons that pursue them to align the two realms and open the Gates of Golorath And the question becomes did they flee the monsters that hunted them only to live amongst darker creatures **History of Hanover**
