

Red Army

Walter S. Dunn Jr.

Red Army:

The Red Army and the Second World War Alexander Hill, 2017 A major new account of the Soviet Union at war which charts the development successes and failures of the Red Army

The Price of Victory Lev Lopukhovskiy, Boris Kavalerchik, 2017-06-30 A stark picture of war between the Germans and the Soviets including some very interesting illustration fascinating if chilling reading Firetrench The Red Army's casualties during the Second World War and the casualties sustained by the German army they fought are a key element in any assessment of the conflict on the Eastern Front Since the war ended over seventy years ago the statistics have been a source of bitter controversy of claim and counterclaim as each generation of historians has struggled to uncover the truth This contentious issue is the subject of this absorbing book The figures reveal much about the way the war was fought and they demonstrate the enormous human price the Soviet Union paid for its victory That is why the statistics have been so strongly contested Distortion and falsification by official historians have obscured the facts because the issue has been so heavily politicized Using recently declassified information from the Russian archives the authors focus in forensic detail on the way the figures were recorded and compiled and seek to explain why so many years after the war the full truth about the subject is still far from our reach

Stumbling Colossus David M. Glantz, 1998 Drawing on evidence never before seen in the West including combat records of early engagements David Glantz claims that in 1941 the Red Army was poorly trained inadequately equipped ineptly organized and consequently incapable of engaging in large scale military campaigns and both Hitler and Stalin knew it He provides a complete and convincing study of why the Soviets almost lost the war that summer dispelling many of the myths about the Red Army that have persisted since the war and soundly refuting Viktor Suvorov's controversial thesis that Stalin was planning a preemptive strike against Germany

My Life in the Red Army Fred Virski, 2019-02-18 My Life in the Red Army chronicles 19 year old Fred Virski's experiences as a soldier in the Russian military in the early years of World War 2 With a wry tone rarely seen in a combat memoir Virski describes the hardships the near starvation rations the inadequate clothing for the frozen wastelands and his tense interactions with officers of the NKVD secret police He is wounded twice earns a Medal of Valor witnesses atrocities committed by both the Germans and the Soviets is branded a deserter and somehow finds time to fall in love more than once on his journey A testament to the will of the human spirit My Life in the Red Army is a must read for fans of World War 2 adventure

Why Stalin's Soldiers Fought Roger R. Reese, 2011-04-28 Inept leadership inefficient campaigning and enormous losses would seem to spell military disaster Yet despite these factors the Soviet Union won its war against Nazi Germany thanks to what Roger Reese calls its military effectiveness its ability to put troops in the field even after previous forces had been decimated Reese probes the human dimension of the Red Army in World War II through a close analysis of soldiers experiences and attitudes concerning mobilization motivation and morale In doing so he illuminates the Soviets remarkable ability to recruit and retain soldiers revealing why so many were willing to fight in the

service of a repressive regime and how that service was crucial to the army's military effectiveness. He examines the various forms of voluntarism and motivations to serve including the influences of patriotism and Soviet ideology and shows that many fought simply out of loyalty to the idea of historic Russia and hatred for the invading Germans. He also considers the role of political officers within the ranks, the importance of commanders who could inspire their troops, the bonds of allegiance forged within small units and persistent fears of Stalin's secret police. Brimming with fresh insights, Reese's study shows how the Red Army's effectiveness in the Great Patriotic War was foreshadowed by its performance in the Winter War against Finland and offers the first direct comparison between the two, delving into specific issues such as casualties, tactics, leadership, morale and surrender. Reese also presents a new analysis of Soviet troops captured during the early war years and how those captures tapped into Stalin's paranoia over his troops' loyalties. He provides a distinctive look at the motivations and experiences of Soviet women soldiers and their impact on the Red Army's ability to wage war. Ultimately, Reese puts a human face on the often anonymous Soviet soldiers to show that their patriotism was real, even if not a direct endorsement of the Stalinist system and had much to do with the Red Army's ability to defeat the most powerful army the world had ever seen.

The Red Army at War Artem Drabkin, 2010-04-19 What was life in the Red Army like for the ordinary soldier during the Great Patriotic War, the fight between the Soviet Union and Germany on the Eastern Front? How far is the common perception of Red Army heroism and sacrifice borne out by historical reality? And what was the daily experience of the individual soldier caught up in this immense and ruthless conflict? The 160 contemporary photographs from the Russian archives that have been selected for this book give a striking insight into all sides of wartime service for the Soviet soldier. The whole range of military experience is portrayed here, from recruitment and the rigors of training to transport, marching and the ordeal of combat.

The Red Army: the Red Army, 1918 to 1945 Sir Basil Henry Liddell Hart, 1956 *The Red Army Today* Louis B. Ely, 1949 *Indhold: The Red Army vs The West, The Infantry Backbone of the Red Army, Armor, Guns, Howitzers, Mortars and Rockets, Horse Cavalry, The Rear Services and the Engineers, Air Support for the Red Army, Partisans, The People of the Red Army, The Politburo and the Red Army, The Test of the Red Army, Comparison of Tactical Capabilities, Red Army Capabilities and Possible Objectives, Is This The Battle Payoff In Western Europe, Advance in the Middle East, Is This Where The Tide Turns*

The Red Army Michel Berchin, Eliahu Ben-Horin, 1942 Analysis of the origin, development and achievements of the Russian Army

The Red Army, 1918-1941 Earl F. Ziemke, 2004-05-20 Supported by evidence released after the collapse of the Soviet Union, this book follows the career of the Red Army from its birth in 1918 as the vanguard of world revolution to its affiliation in 1941 with the citadel of capitalism, the USA.

The Red Empire's Might: Unveiling the Soviet Economy and the Red Army's Triumph Pasquale De Marco, 2025-05-20 In the annals of military history, the Red Army's triumph over Nazi Germany stands as a testament to the resilience and determination of the Soviet people. This book tells the gripping story of how the Red Army, despite facing overwhelming odds, transformed itself into a formidable

fighting force that played a pivotal role in defeating Hitler's war machine. Through meticulous research and analysis, this book delves into the factors that contributed to the Red Army's remarkable transformation. It examines the Soviet Union's ambitious industrialization drive which laid the foundation for the army's military might. It also explores the role of foreign experts, particularly American engineers, in the development of Soviet industry and the military. Additionally, it investigates the Red Army's military reforms and the lessons it learned from its early setbacks in the war. This book also sheds light on the immense sacrifices made by the Soviet people during the war. Millions of soldiers and civilians lost their lives, and the country's economy was devastated. However, the Soviet people's determination to defeat the Nazis never wavered, and their resilience ultimately proved to be the key to victory. Furthermore, this book analyzes the Red Army's impact on the post-war world. The Soviet Union's emergence as a superpower led to the Cold War and a decades-long arms race. The legacy of the Red Army is still felt today as Russia continues to be a major military power. By delving into the history of the Red Army, this book provides a deeper understanding of one of the most pivotal events of the 20th century. It is a tribute to the courage and resilience of the Soviet people who played a vital role in shaping the world we live in today. This book is essential reading for anyone interested in military history, World War II, or the Soviet Union. It is a gripping narrative that offers new insights into one of the most important events in human history. If you like this book, write a review on Google Books.

Stalin's Keys to Victory
Walter S. Dunn Jr., 2006-05-30

Most military historians have difficulty comprehending the miracle that took place in late 1941 and early 1942 in the Soviet Union. In the summer of 1941, the German Army routed the Red Army as it had routed the Polish, British, French, and other armies in 1939, 1940, and early 1941. None had been able to withstand German might more than a few weeks. When Hitler invaded the Soviet Union in June 1941, his legions quickly overcame the Soviet divisions they met, and it appeared to most that Hitler would succeed as he had before. A major portion of the prewar Red Army had been completely annihilated, millions of prisoners taken, and the most populous and developed provinces of the Soviet Union occupied by the Germans and their allies. In September, the Germans surrounded and captured a huge bag of divisions east of Kiev, only to encounter a flood of new Red Army divisions when they redirected their intentions on Moscow. In short order, the Wehrmacht broke through this line and approached within sight of the outskirts of the capital. There, they were surprised by a massive offensive mounted by even more new divisions. Other countries had surrendered after losing one army, let alone two. The Soviets came back with a third, which sent the Germans reeling to the rear. How was this possible? Dunn's detailed examination shows that far from carelessly throwing thousands of disorganized, untrained men into battle, the Soviets wisely used the resources at hand to resist and drive back the invaders once the initial shock had been absorbed. He reveals how the Soviets systematically trained men as replacements for casualties in existing units, often renaming the unit, a move that confused German intelligence then and continues to confound historians today. Unit integrity was as significant in the Red Army as in other armies. Men were not robotic clones; each had strengths and weaknesses. Knowing this led to unit

integrity and success on the battlefield Tracing the formation and commitment to battle of Soviet units regardless of the changes of designation is crucial to understanding the success and failure of Soviet operations and Stalin's keys to victory

Colossus Reborn David M. Glantz, 2005 Beyond the battles themselves Glantz also presents an in depth portrait of the Red Army as an evolving military institution Assessing more clearly than ever before the army's size strength and force structure he provides keen insights into its doctrine strategy tactics weaponry training officer corps and political leadership In the process he puts a human face on the Red Army's commanders and soldiers including women and those who served in units security NKVD engineer railroad auto transport construction and penal forces that have till now remained poorly understood BOOK JACKET **Soviet Russia**, 1920 **The Stuff of Soldiers** Brandon M. Schechter, 2019-10-15 The Stuff of Soldiers uses everyday objects to tell the story of the Great Patriotic War as never before Brandon M Schechter attends to a diverse array of things from spoons to tanks to show how a wide array of citizens became soldiers and how the provisioning of material goods separated soldiers from civilians Through a fascinating examination of leaflets proclamations newspapers manuals letters to and from the front diaries and interviews The Stuff of Soldiers reveals how the use of everyday items made it possible to wage war The dazzling range of documents showcases ethnic diversity women's particular problems at the front and vivid descriptions of violence and looting Each chapter features a series of related objects weapons uniforms rations and even the knick knacks in a soldier's rucksack These objects narrate the experience of people at war illuminating the changes taking place in Soviet society over the course of the most destructive conflict in recorded history Schechter argues that spoons shovels belts and watches held as much meaning to the waging of war as guns and tanks In The Stuff of Soldiers he describes the transformative potential of material things to create a modern culture citizen and soldier during World War II

Ivan's War Catherine Merridale, 2006-01-24 Drawing on previously closed military and secret police archives interviews with surviving soldiers and private letters and diaries Catherine Merridale presents here the first comprehensive history of the thirty million soldiers of the Red Army BOOK JACKET **The Russian Civil War (1)** Mikhail Khvostov, 1996-05-15 The main instrument with which the Bolsheviks imposed communism on Russia was the Red Army Traditionally the origins of this army were among the factory workers who laid down their tools and took up arms as a way of expressing their grievances Already formed by the time of the revolutions of 1905 and February 1917 these militant workers organised themselves into parliamentary detachments known as the krasnogvardeytsi or Red Guards In this first of two volumes see Men at Arms 305 White Armies focusing on the Russian Civil War 1917-1923 Mikhail Khvostov examines the Red Army's organisation weaponry uniforms and insignia **Red Army Resurgent** John Shaw, 1979 Tells the suffering of the Russians and how they turned the tide **Red Army and Society** Ellen Jones, 2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the

society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends **From Leningrad to Hungary** Evgenii D. Moniushko, 2004-12-17 This new book is a chronological narrative of the experiences of Evgenii Moniushko who lived through and survived the first year of the siege of Leningrad and who served as a junior officer in the Red Army during the last eighteen months of war and the first year of the Soviet occupation of Czechoslovakia and Hungary This volume presents nbs

Red Army Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Red Army PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Red Army PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Red Army free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Red Army Books

1. Where can I buy Red Army books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Red Army book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Red Army books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Red Army audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
