the rescue despite rockers of appeal but gradually turned and moved away abandoning over 1 500 people to their fate The search for the Mystery Ship began immediately and both Britain and the USA accused a ship called the Californian of deserting the Titanic in her hour of need But was the Mystery Ship the Californian For the first time this book explores the totality of evidence with the discovery of the Titanic s actual wreck site in 1985 allowing crucial insights not available during official investigations seventy three years earlier Combining a penetrating argument with an extensive collection of archive photographs and materials this book aims to find clear answers to the many riddles of the Titanic s Mystery Ship
