The Red Moon Kuwana Haulsey, 2002-01-29 The moon was red on the night my mother died Fat fairly bursting as I remember it rode so low in the sky that it grazed the backs of the leopards who hissed and spat and cursed it for interrupting the hunt It caressed the thorny tips of the acacia trees bending them seeming to crush them with light In The Red Moon newcomer Kuwana Haulsey has crafted a strikingly beautiful coming of age story set amid the turbulent history of modern Kenya The novel centers on Nasarian the daughter of a successful Samburu herdsman and his Somali fourth wife On the verge of adulthood Nasarian finds herself trapped between the demands of her traditional tribal life and her desire to live abroad as a writer When her parents die suddenly Nasarian s plan to escape her sheltered world is undermined by her scornful brother Lolorok Disgusted by Nasarian s refusal to be circumcised and thus initiated into the traditional role of wife and mother Lolorok allows his sister to be inherited by a distant cousin Nasarian is convinced that no matter how hard she fights she will never be allowed to call her life her own She is dogged by the memory of her father who was caught in the midst of a brutal war branded with the name Mau Mau imprisoned as a terrorist She is haunted by the spirit of her mother captured in a bloody raid and destined like Nasarian to be an outcast Nasarian runs away sparking a sweeping journey of discovery that evokes fifty years and three generations of her family history Weaving ancient myth and folklore into the tapestry of Nasarian s personal quest The Red Moon chronicles the yearning of a brave young woman while simultaneously depicting a nation s equally fierce search for a truthful and lasting spiritual independence Stunning in its revelations The Red Moon portrays incisively a way of life rarely glimpsed by those who have not experienced its richness and survived its terror With an intensity rare in modern fiction The Red Moon takes readers into the heart of an incredibly courageous young woman

School of the Moon Stuart McHardy,2020-03-12 Behind the tales of cateran raiding in the Scottish Highlands was an age old practice beloved of the clan warriors Trained in the ways of the School of the Moon they liked little better than raiding other clans to lift their cattle and disappear into the wild mountains under the cover of darkness If pursued and battle became necessary that was no problem to the clansmen This traditional practice of the Scottish Highland warriors originating at least as far back as the Iron Age has left us many grand stories apocryphal and historical Through investigating these stories Stuart McHardy came across material some of it as yet unpublished which leads to a startling new interpretation of what was going on in the Scottish Highlands in the years after Culloden The British government called it cattle thieving but the men who returned to the ways of the School of the Moon were the last Jacobites fighting on in a doomed guerrilla campaign against an army that had a garrison in every glen and town in Scotland
