Coast Guard, 1981      Children's Books in Print, 1993      Abba's Whisper Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself      *Forthcoming Books* Rose Arny, 1996-06      *My God, My Land* Jacqueline Ryle, 2016-12-05 Examining the multifaceted nature of Christianity in Fiji My God My Land reveals the deeply complex and often paradoxical dynamics and tensions between processes of change and continuity as they unfold in representations and practices of Christianity and tradition in people's everyday lives The book draws on extensive multi sited fieldwork in different denominations to explore how shared values and cultural belonging are employed to strengthen relations As such My God My Land will be of interest to anthropologists of Oceania as well as scholars and

White, 2022-07-29 *Tending the Fire at the Center of the World* engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship
