Semiotics Of The Media:

Semiotics of the Media Winfried Nöth, 2016-12-19 No detailed description available for Semiotics of the Media

Understanding Media Semiotics Marcel Danesi, 2017-03-23 Media semiotics is a valuable method of focusing on the hidden meanings within media texts This book offers students an in depth guide to help them investigate and understand the media using semiotic theory It assumes little previous knowledge of the field avoiding jargon and explaining the issues step by step The two basic features of the methods used are the historical study of media and their genre and the analysis of the meaning structures that such genres encode Semiotic analysis is sometimes seen as complicated and difficult to understand Marcel Danesi shows that on the contrary it can be readily understood and can greatly enrich students understanding of media texts from print media right through to the internet

Media Semiotics Jonathan Bignell, 2002-07-05 Using examples such as the Wonderbra advertisements and the film Waterworld Bignell presents an investigation of the critical approach to contemporary media studies and discusses the challenges posed by post structuralist theory and postmodernism

Media Semiotics Jonathan Bignell, 1997 Using examples such as the Wonderbra advertisements and the film Waterworld Bignell presents an investigation of the critical approach to contemporary media studies and discusses the challenges posed by post structuralist theory and postmodernism

Semiotic Analysis of Media Content Francis Arackal Thummy, 2019-04-11 Academic Paper from the year 2017 in the subject German Studies Linguistics grade NA course Semiotic Analysis Film Appreciation Media language English abstract The science of symbols called semiotics or semiology helps us understand our world that is full of signs and symbols One of the areas where semiotics proves to be useful is in the field of the media It enables us to see how media content is produced by the sender and consumed and interpreted by the audience This paper takes a special look at the semiotic understanding of media and explains how semiotics is used in making media content especially advertising and films The content of an advertisement gives rise to many meanings and interpretations Some writers use the term media text instead of media content A text can be understood in a variety of ways Thus media content or text in principle is polysemic having multiple potential meanings for its audience Further media content can be differentiated according to its degree of openness Semiotic method as applied to media content sheds light on the hidden or underlying meanings Considered in this way the primary objective of media semiotics is to study how the mass media create or recycle signs for their own ends

Media Literacy and Semiotics E. Gaines,2010-12-20 Media Literacy and Semiotics provides helpful tools to help readers think critically about the meaning of the media images they are exposed to on a daily basis In this comprehensive book a basic model of semiotic logic is applied to a variety of media studies to promote critical thinking and media literacy Elliot Gaines systematically analyzes the hidden meanings in mass mediated products and texts and shows how basic meaning structures underlie everything from The Daily Show to television documentaries to infotainment

Power of Scandal Johannes Ehrat,2011-01-01 Are there events that are inherently scandalous Power of Scandal finds that the very idea of scandal is derived not from an event but from public opinion which in turn is constructed by media narratives Scandal is powerful because of its ability to challenge institutions by destabilizing their legitimacy The media play an integral role in the creation of scandal because they interpret real events as purposeful actions for the public Examining the ubiquity of scandals in today s mass media Johannes Ehrat comes to conclusions that are fresh and surprising Ehrat applies classic semiotic and pragmatic thought to contemporary media issues from moralist discourse surrounding sex abuse cases to the phenomenon of televangelism Arguing that sociological and communications studies of scandal have ignored its constructed nature Ehrat focuses on how meaningful public narrative is produced By examining the parallel worlds of media and public opinion Power of Scandal uses an alternative heuristic for understanding mass communication that is both rigorous and sophisticated

Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Semiotic analysis of media content Francis Arackal Thummy,2019-05-09 Academic Paper from the year 2017 in the subject German Studies Linguistics grade NA course Semiotic Analysis Film Appreciation Media language English abstract The science of symbols called semiotics or semiology helps us understand our world that is full of signs and symbols One of the areas where semiotics proves to be useful is in the field of the media It enables us to see how media content is produced by the sender and consumed and interpreted by the audience This paper takes a special look at the semiotic understanding of media and explains how semiotics is used in making media content especially advertising and films The content of an advertisement gives rise to many meanings and interpretations Some writers use the term media

text instead of media content A text can be understood in a variety of ways Thus media content or text in principle is polysemic having multiple potential meanings for its audience Further media content can be differentiated according to its degree of openness Semiotic method as applied to media content sheds light on the hidden or underlying meanings Considered in this way the primary objective of media semiotics is to study how the mass media create or recycle signs for their own ends
