Senate Procedure And Practice An Introductory Manual:

Senate Procedure and Practice Martin Gold,2001 The purpose of this manual is to proffer an introduction to Senate procedure It provides a foundation of understanding as to what occurs in daily practice Naturally the manual cannot possibly cover every nuance of floor procedure or every contingency that may arise particularly as many procedures get temporarily waived or reshaped by unanimous consent Therefore this manual is best considered as an effort to provide grounding in the subject rather than an all encompassing compendium of floor process page 11
