J. Byres, 2005-08-02 First Published in 1983 Of all the social relationships that exist in the countryside in contemporary poor countries and which have existed in the past in developed countries that of share tenancy is among the most significant and the most fascinating It is and has been geographically widespread varied in its manifestations and historically tenacious Sharecropping has been singled out frequently in land reform programmes as a candidate for elimination Yet it persists often in disguised form It raises difficult theoretical issues which have attracted the attention of some of the outstanding economists from Adam Smith through John Stuart Mill Karl Marx and Alfred Marshall and which remain contentious Sharecroppers moreover have sometimes been involved in important political movements in the countryside This too has given rise to considerable debate In this double special number of the *Journal of Peasant Studies* these varied issues are given extensive and rigorous treatment within a predominantly political economy framework Sharecropping and sharecroppers are examined both in general terms in a number of theoretical contributions and in a rich variety of regional contexts in which their specific manifestations emerge

**Admission of German Refugee Children** United States. Congress. Senate. Committee on Immigration, 1939      *Falling Leaves and Mountain Ashes* Brenda George, 2012-05-29 FALLING LEAVES AND MOUNTAIN ASHES Starting in 1899 this 40 year saga is the tragic story of how the Blue Ridge mountain people ultimately become displaced to make way for the Shenandoah National Park Set against an authentic background of mountain life and the raw unspoiled beauty of the mountains it is a rich weave of humor and heartache love and violence courage and brutality feuds and strong family ties A brave young mountain woman Mary Harley elopes to Claw Mountain to marry Zachary Thomas Buchanan the eldest of the

Buckos the violent and lawless sixteen living sons of Obediah who comes from a wealthy valley family but is a fugitive from the law and a renowned moonshiner The Buchanan clan has been feuding with the neighboring Galtreys for 30 years The handsome knife scarred Eli is one of the younger Buckos but the most feared However nobody except Zachary Thomas knows the dark terrible secret he harbors within him Desperately unhappy living with her silent uncommunicative husband Mary pregnant with her first child attempts to escape the mountain but is caught and becomes horrified witness to the terrible brutality of the clans patriarch Then she and Zachary Thomas are thrown together during a long terrible winter Eli a natural mimic and gifted pretender enters Skyland a famous mountain summer resort to sell moonshine to its colorful owner He falls madly in love with Annabel the beautiful daughter of a reverend who he saves from being struck by a rattlesnake He later moves to Washington to become a partner in a distillery and be close to Annabel even though she is engaged to an aide to vice president Theodore Roosevelt Eli becomes wealthy and successful his own influence even extending to the White House After Prohibition is enacted Reverend Cotterall becomes the countrys leading Prohibitionist and is determined to keep his daughter away from Eli whom he loathes The story comes to a dramatic climax when devastating secrets are revealed

*The Promised Land* Nicholas Lemann,1992-03-31 A New York Times bestseller the groundbreaking authoritative history of the migration of African Americans from the rural South to the urban North A definitive book on American history The Promised Land is also essential reading for educators and policymakers at both national and local levels *Congressional Record* United States. Congress,1943 Alabama in the Twentieth Century Wayne Flynt,2004-10-10 A native son and accomplished historian does not flinch from pointing out Alabama s failures from the past 100 years neither is he restrained in calling attention to the state s triumphs in this authoritative popular history of the past 100 years **Hearings** United States. Congress. Joint Committee ...,1939 **Cry from the Cotton** Donald Grubbs,2000-07-01 The Southern Tenant Farmers Union was founded in eastern Arkansas in 1934 to protest the New Deal s enrichment of Southern cotton barons at the expense of suffering sharecroppers both black and white Their courageous struggle in the face of determined and often violent resistance from their landlords is the subject of this thorough study from Donald H Grubbs which was published to critical acclaim in 1971 Cry from the Cotton was the first full scale look at the STFU and its leaders It discloses that although the union operated under noticeable socialist party sponsorship in its infancy it drew much more upon the native Southern evangelical and populist traditions much as the civil rights movement would do twenty five years later Grubbs convincingly demonstrates that while the STFU failed to gain immediate social justice for its members it resulted in the formation of the Farm Security Administration which even today continues to aid the rural poor and it played a large part in forcing the formation of the La Follette Civil Liberties Committee whose spotlight on management terrorism helped the CIO toward success The volume stands as a classic on labor issues and class struggle and still echoes with the haunting plea of the dispossessed for equity Congressional Record United States. Congress,2007 *A Taste of Broadway* Jennifer

Packard,2017-12-01 Beyond being just fuel for the body food carries symbolic importance used to define individuals situations and places making it an ideal communication tool In musical theater food can be used as a shortcut to tell the audience more about a setting character or situation Because everyone relates to eating food can also be used to evoke empathy amusement or shock from the audience In some cases food is central to show s plot This book looks at popular musical theater shows to examine which foods are used how they are used why they are important and how the food or usage relates to the broader world Included are recipes for many of the foods that are significant in the shows discussed The Opera Manual Nicholas Ivor Martin,2013-10-30 You are getting ready for a performance of Donizetti s L elisir d amore and you have a few questions How many clarinets are in the orchestra How many orchestra members appear onstage How many different sets are there How long does the opera typically run What are the key arias Are any special effects or ballet choreography required Who owns the rights Where was it premiered What are the leading and supporting roles The Opera Manual is the only single source for the answers to these and other important questions It is the ultimate companion for opera lovers professionals scholars and teachers featuring comprehensive information about and plot summaries for more than 550 operas including every opera that is likely to be performed today from standard to rediscovered contemporary works The book is invaluable especially for opera professionals who will find everything they need for choosing and staging operas But it is also a treasure for listeners Similar reference books commonly skip over scenes and supporting characters in their plot summaries lacking even the most basic facts about staging orchestral and vocal requirements The Opera Manual based on the actual scores of the works discussed is the only exhaustive up to date opera companion a recipe book that will enable its readers to explore those operas they know and discover new ones to sample and enjoy Agricultural Adjustment Act of 1937 United States. Congress. Senate. Agriculture and Forestry Committee,1937 **Agricultural Adjustment Act of 1937** United States. Congress. Senate. Committee on Agriculture and Forestry,1937 The Silent Shore Charles L. Chavis Jr.,2022-01-11 The definitive account of the lynching of twenty three year old Matthew Williams in Maryland the subsequent investigation and the legacy of modern day lynchings On December 4 1931 a mob of white men in Salisbury Maryland lynched and set ablaze a twenty three year old Black man named Matthew Williams His gruesome murder was part of a wave of silent white terrorism in the wake of the stock market crash of 1929 which exposed Black laborers to white rage in response to economic anxieties For nearly a century the lynching of Matthew Williams has lived in the shadows of the more well known incidents of racial terror in the deep South haunting both the Eastern Shore and the state of Maryland as a whole In The Silent Shore author Charles L Chavis Jr draws on his discovery of previously unreleased investigative documents to meticulously reconstruct the full story of one of the last lynchings in Maryland Bringing the painful truth of anti Black violence to light Chavis breaks the silence that surrounded Williams s death Though Maryland lacked the notoriety for racial violence of Alabama or Mississippi he writes it nonetheless was the site of at least 40 spectacle lynchings after the

abolition of slavery in 1864 Families of lynching victims rarely obtained any form of actual justice but Williams s death would have a curious afterlife Maryland s politically ambitious governor Albert C Ritchie would in an attempt to position himself as a viable challenger to FDR become one of the first governors in the United States to investigate the lynching death of a Black person Ritchie tasked Patsy Johnson a member of the Pinkerton detective agency and a former prizefighter with going undercover in Salisbury and infiltrating the mob that murdered Williams Johnson would eventually befriend a young local who admitted to participating in the lynching and who also named several local law enforcement officers as ringleaders Despite this a grand jury after hearing 124 witness statements declined to indict the perpetrators But this denial of justice galvanized Governor Ritchie s Interracial Commission which would become one of the pioneering forces in the early civil rights movement in Maryland Complicating historical narratives associated with the history of lynching in the city of Salisbury The Silent Shore explores the immediate and lingering effect of Williams s death on the politics of racism in the United States the Black community in Salisbury the broader Eastern Shore the state of Maryland and the legacy of modern day lynchings Public Papers of the Presidents of the United States U S Government Printing Office,2009-07-14 Gain insight into the past and present administrations through these compilations of official papers and speeches given by the President of the United States The full text of the documents issued by the Office of the Press Secretary over a given time period are printed in this series The papers compiled and usually published twice annually are in chronological order and are indexed by subject In each book the four appendices include the Presidents public schedule nominations submitted to the Senate the checklist of White House press releases and a list of Presidential documents published in the Federal Register Text notes cross references color photographs and a documents categories list are also included Subjects and names are indexed **Public Papers of the Presidents of the United States, George W. Bush** United States. President (2001-2009 : Bush),2003 Remaking Dixie Neil R. McMillen,1997 Although the Civil War reconfigured Dixie in the half century since the end of World War II the American South has been massively changed again It is still an improbable mix of tradition and transition but the stereotype of a region with one party politics one crop agriculture white supremacy cultural insularity grinding poverty somnolent cotton towns and languorous rural landscapes has largely passed into history Possum Trot and Tobacco Road have been suburbanized and how have Walmarks As the regions s boosters insist the nations s numberOne economic problem has joined the great booming sunbelt For good or for ill a new sense has been visited upon nearly every southern place What elements caused such striking change to the face of Dixie In this volume nine widely known specialists in the history and literature of the American South search for the origins of this sweeping regional transformation in the period of the Second World War These original essays address a cluster of related problems of enduring fascination for all those who wish to understand the ever changing ever abiding South Offering new answers to important questions they address the Second World War as a major watershed in southern history Did it drive old Dixie down Did it set in motion

forces that ultimately shaped a Newer South Did it further Americanize the South by eroding traditional patterns of thought and deed that once were fiercely defended by white southerners as our way of life Was the postwar South less different less peculiar and distinctive
