Seneca Hostage:

The Seneca Hostage Carter A Vaughan,1980-06 **The Seneca Hostage** Noel Bertram Gerson,1969 Novel about the American Colonies in 1753 *Setting All the Captives Free* Ian K. Steele,2013-11-01 Among the many upheavals in North America caused by the French and Indian War was a commonplace practice that affected the lives of thousands of men women and children being taken captive by rival forces Most previous studies of captivity in early America are content to generalize from a small selection of sources often centuries apart In *Setting All the Captives Free* Ian Steele presents from a mountain of data the differences rather than generalities as well as how these differences show the variety of circumstances that affected captives experiences The product of a herculean effort to identify and analyze the captives taken on the Allegheny frontier during the era of the French and Indian War *Setting All the Captives Free* is the most complete study of this topic Steele explores genuine doctored and fictitious accounts in an innovative challenge to many prevailing assumptions and arguments revealing that Indians demonstrated humanity and compassion by continuing to take numerous captives when their opponents took none by adopting and converting captives into kin during the war and by returning captives even though doing so was a humiliating act that betrayed their societies values A fascinating and comprehensive work by an acclaimed scholar *Setting All the Captives Free* takes the study of the French and Indian War in America to an exciting new level *Seneca Philosophus* Julia Wildberger,Marcia L.
