

COMBINING SENTENCES

It is boring to read a series of sentences with the same structure. Here are a few ways you can combine them:

Compound subjects

Amber is my cousin. Kaleb is also my cousin.
Amber and Kaleb are my cousins.

Compound predicates

Dad washed the car. Then, he polished the car.
Dad washed and polished the car.

Write a compound sentence.

I wanted to buy you a card. I didn't have enough money with me.
I wanted to buy you a card, but I didn't have enough money with me.

Write a complex sentence.

The boy didn't understand her directions.
The boy didn't speak English.
The boy didn't understand her directions because he didn't speak English.

Use an appositive.

Ali's mom is a nurse. Ali's mom works the night shift.
Ali's mom, a nurse, works the night shift.

Reduce one sentence to a phrase.

The baby was scared by the blaring music. The baby began to cry.
The baby, scared by the blaring music, began to cry.

Pullen, Michael J. Kennedy, 2018-10-16 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a

conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention **Response to Intervention and Precision Teaching** Kent Johnson,Elizabeth M.

Street,2012-11-29 Successful implementation of response to intervention RTI for academic skills problems requires rigorous progress monitoring This book shows how the proven instructional technology known as precision teaching PT can facilitate progress monitoring while building K 12 students fluency in reading writing math and the content areas Detailed instructions help general and special education teachers use PT to target specific skills at all three tiers of RTI and incorporate it into project based learning Of crucial importance for RTI implementers the book provides explicit procedures for measuring and charting learning outcomes during each PT session and using the data to fine tune instruction Reproducible charts and other useful tools can be downloaded and printed in a convenient 8 1 2 x 11 size *Teaching Reading to Every Child* Diane Lapp,James Flood,Cynthia H.
