Separate And Unequal The Inside Story Of Israeli Rule In East Jerusalem:

Separate and Unequal Amir S. Cheshin,Bill Hutman,Avi Melamed,2009-07-01 This vivid behind the scenes account of Israeli rule in Jerusalem details for the first time the Jewish state s attempt to lay claim to all of Jerusalem even when that meant implementing harsh policies toward the city s Arab population The authors Jerusalemites from the spheres of politics journalism and the military have themselves been players in the drama that has unfolded in east Jerusalem in recent years and appears now to be at a climax They have also had access to a wide range of official documents that reveal the making and implementation of Israeli policy toward Jerusalem Their book discloses the details of Israel s discriminatory policies toward Jerusalem Arabs and shows how Israeli leaders mishandled everything from security and housing to schools and sanitation services to the detriment of not only the Palestinian residents but also Israel s own agenda **Separate and Unequal** is a history of lost opportunities to unite the peoples of Jerusalem A central focus of the book is Teddy Kollek the city s outspoken mayor for nearly three decades whose failures have gone largely unreported until now But Kollek is only one character in a cast that includes prime ministers generals terrorists European and American leaders Arab shopkeepers Israeli policemen and Palestinian schoolchildren The story the authors tell is as dramatic and poignant as the mosaic of religious and ethnic groups that call Jerusalem home And coming at a time of renewed crisis it offers a startling perspective on past mistakes that can point the way toward more equitable treatment of all Jerusalemites

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict **The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History** is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I **The Encyclopedia of the Arab Israeli Conflict** goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Identity, Ideology and the Future of Jerusalem D. Hulme,2016-09-23 Using recalled personal history to examine the crucial place that Jerusalem has occupied in the identity and ideology core of fourteen key Palestinian and Jewish Israeli leaders in the Arab Zionist impasse this fascinating study explores the roles of identity and ideology in preventing or promoting a resolution between Israel and the Palestinians

Jerusalem Menachem Klein,2001-03 Klein political science Bar Ilan U is a board member of B tselem the Israeli Information Center for Human

Rights in the Occupied Territories He draws on a number of disciplines to detail the political history of Jerusalem in Arab Israel relations since the 1960s a relationship of unequal partners that became the focus of classes again in late 2000 c Book News Inc

The City of Jerusalem Dr. Meir Margalit, 2020-02-21 The author writes from the experience of thirty years working in the Jerusalem municipality including 21 years as a public official and ten years as an elected councilor representing the left wing Meretz party This book is born from an urgent need to understand the mechanisms articulating the city in which I live which I love and for which I suffer I am from Jerusalem I could not live in another city and the barbarities my government is perpetrating on the Palestinian parts of the city do not allow me to remain quiet Through this book I engage with the prevailing model of power and repression and the neo colonial system that expresses its perverse functioning This book is centered on the political and economic mechanisms practiced by Israel in East Jerusalem over the last decade These mechanisms reinforce the occupation and keep Jerusalem's Palestinians subjugated through co optation into the Israeli system Analysis is centered on the changes wrought during the mayoralty of Nir Barkat 2008-2018 who came into politics from the business world and introduced management concepts to the workings of municipal government While Barkat succeeded in creating the illusion of a new era in eastern Jerusalem the result is heartbreaking displacement and vulnerability toward East Jerusalem's residents and the application of urban planning that impacts negatively on residents legal status

The City of Jerusalem The Israeli Occupation and Municipal Subjugation of Palestinian Jerusalemites is a profound sociological and economic analysis of a city under a normalised occupation which has destroyed the very essence of what Jerusalem stands for a reflection of diverse religious belief within a multicultural setting where citizens rights are upheld and not discriminated against for political purpose

Reinventing Jerusalem Simone Ricca, 2007-05-25 The Jewish quarter of Jerusalem today seems like an organic fusion of a modern Israeli city with an ancient Jewish heritage However as Simone Ricca details in this fascinating book the aesthetics of the Jewish Quarter were deliberately planned and executed by Israel after it was occupied during the 1967 war Secular nationalist as well as religious politicians agreed that it should be turned in to the capital of the Jewish nation and that it should be excavated and developed in such a way as to create a sense of continuity with the Jewish people's historical claims to the land Zionist ideology was thus translated in to bricks and mortar as modern civic amenities were constructed around historic sites such as the Wailing Wall and the Hurva Synagogue Ricca examines the politics of heritage conservation and shows that the Old City's reconstruction did not so much preserve the past as inscribe an identity on to the future

Lives in Common Menachem Klein, 2014-01-11 Most books dealing with the Israeli Palestinian conflict see events through the eyes of policy makers generals or diplomats Menachem Klein offers an illuminating alternative by telling the intertwined histories from street level upwards of three cities Jerusalem Jaffa and Hebron and their intermingled Jewish Muslim and Christian inhabitants from the nineteenth century to the present Each of them was and still is a mixed city Jerusalem and Hebron are holy places while Jaffa till 1948 was Palestine's principal city and

main port of entry Klein portrays a society in the late Ottoman period in which Jewish Arab interactions were intense frequent and meaningful before the onset of segregation and separation gradually occurred in the Mandate era The unequal power relations and increasing violence between Jews and Arabs from 1948 onwards are also scrutinised Throughout Klein bases his writing not on the official record but rather on a hitherto hidden private world of Jewish Arab encounters including marriages and squabbles kindnesses and cruelties as set out in dozens of memoirs diaries biographies and testimonies Lives in Common brings together the voices of Jews and Arabs in a mosaic of fascinating stories of lived experiences and of the major personalities that shaped them over the last 150 years Most books dealing with the Israeli Palestinian conflict see events through the eyes of policy makers generals or diplomats Menachem Klein offers an illuminating alternative by telling the intertwined histories from street level upwards of three cities Jerusalem Jaffa and Hebron and their intermingled Jewish Muslim and Christian inhabitants from the nineteenth century to the present Each of them was and still is a mixed city Jerusalem and Hebron are holy places while Jaffa till 1948 was Palestine s principal city and main port of entry Klein portrays a society in the late Ottoman period in which Jewish Arab interactions were intense frequent and meaningful before the onset of segregation and separation gradually occurred in the Mandate era The unequal power relations and increasing violence between Jews and Arabs from 1948 onwards are also scrutinised Throughout Klein bases his writing not on the official record but rather on a hitherto hidden private world of Jewish Arab encounters including marriages and squabbles kindnesses and cruelties as set out in dozens of memoirs diaries biographies and testimonies Lives in Common brings together the voices of Jews and Arabs in a mosaic of fascinating stories of lived experiences and of the major personalities that shaped them over the last 150 years

The Politics of Sacred Space Michael Dumper, 2002 Dumper explores how religious and political interests compete for control of the Old City of Jerusalem and how this competition affects the Middle East conflict as a whole

From Oslo to Iraq and the Road Map Edward W. Said, 2007-12-18 In his final book completed just before his death Edward W Said offers impassioned pleas for the beleaguered Palestinian cause These searing essays refract the reality of terrible years through a mind with extraordinary understanding compassion insight and deep knowledge Noam Chomsky These essays which originally appeared in Cairo s Al Ahram Weekly London s Al Hayat and the London Review of Books take us from the Oslo Accords through the U S led invasion of Iraq and present information and perspectives too rarely visible in America Said is unyielding in his call for truth and justice He insists on truth about Israel s role as occupier and its treatment of the Palestinians He pleads for new avenues of communication between progressive elements in Israel and Palestine And he is equally forceful in his condemnation of Arab failures and the need for real leadership in the Arab world

Conflict and Post-Conflict Governance in the Middle East and Africa Moosa A. Elayah, Laurent A. Lambert, 2023-03-12 This book explores the challenges of the governance and public policy in the midst and after conflicts revolutions and civil wars in the Middle East and Africa As anywhere else the task of rebuilding peace and institutionalizing stability in countries experiencing

a conflict or just emerging from it is daunting uncertain and context specific Yet focusing on the Middle East and Africa is of particular relevance as these two regions feature the highest numbers of inter and intra state conflicts on the one hand and the central states are more often contested than in the rest of world regions The first half of the book proposes different cases addressing the fundamental challenge of inclusion and cohesion as well as the recurring issue of exclusion in conflict affected situations with four different cultural and institutional settings The second half of the book offers more theoretical insights and proposed pathways to develop more inclusive and peaceful governance settings in Africa the Middle East and beyond This edited book has been designed to be a helpful contribution to the analysis of conflict and post conflict governance and peacebuilding To do so it deploys different lenses of social sciences especially public policy and international relations but also benefits from social psychology political anthropology and other disciplines that enable a more comprehensive understanding of the multifaceted complex and dynamic issues at play

Resolving the Israeli-Palestinian Conflict Moises F. Salinas, Hazza Abu Rabia, 2009 Collection of papers and keynote presentations that were delivered at a conference called Pathways to Peace which was held in March of 2008

Security Theology, Surveillance and the Politics of Fear Nādirah Shalhūb-Kifūriyān, 2015-05-28 Examines security theology surveillance and the industry of fear from the intimate spaces of everyday life in settler colonial contexts

Jerusalem Marshall J. Breger, Ora Ahimeir, 2002-06-01 The status of the city of Jerusalem is a major cause of friction in the already terrible relations between Palestinians and the State of Israel Breger law Catholic U of America and Ahimeir director Jerusalem Institute for Israeli Studies present nine essays exploring issues of law politics religion history the environment and governance related to the future dispensation of the city The essays collectively seem to promote an Israeli controlled Jerusalem including East Jerusalem that recognizes the political economic and religious rights of the Palestinians and other minorities Virtually no Palestinian voices are presented Annotation copyrighted by Book News Inc Portland OR

Sharing the Land of Canaan Mazin B. Qumsiyeh, 2004-06-20 There is no more compelling and dramatic unfolding story with more profound international ramifications than the conflict in the Middle East Sharing the Land of Canaan is a critical examination of the core issues of the conflict that dares to put forward a radical but logical solution that a shared state is the best way to achieve justice and peace for Israelis and Palestinians Mazin B Qumsiyeh offers an overview of the issues at stake and outlines his vision for a lasting peace based on upholding the principles of human rights for all Tackling taboo subjects myths and obstacles he argues convincingly that apartheid in the form of a two state solution is no longer a feasible way to achieve enduring peace At this critical time when the road map to peace looks more uncertain than ever this book provides a refreshing counterpoint to the failed strategies of the past It is a direct and accessible account of the history and mythology of the fabled Land of Canaan which lays out hopeful ideas for the future of this truly multiethnic and multicultural region

Relative Strangers Arpan Roy, 2024-11-30 Examining how memory intergenerational transmission and kinship work together Relative Strangers

sheds light on Romani life in Palestine Arpan Roy presents an ethnographic portrait of Dom Romani communities living between Palestine and Jordan zooming in on everyday life in working class neighborhoods and under conditions of perpetual war and instability The book focuses on how Doms are able to sustain ethnic difference through kinship even when public performances of difference are no longer emphasized a kind of alterity that is neither visible by obvious markers like race or religious difference nor detected by the antennas of the state Drawing on long term ethnographic fieldwork in Jerusalem Ramallah and Amman Roy makes a case for such alterity for Romani people and other groups in the region Analysing intimate ethnographic scenes through anthropological theories of kinship psychoanalysis social theory from the Global South and more the book reveals how alterity in the Middle East does not adhere to rigid identitarian categories Ultimately *Relative Strangers* demonstrates the inadequacy of transposing models of pluralism centred on European and American experiences of minoritization onto other contexts

The Israelis Donna Rosenthal, 2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere It is the story of ordinary people living in an extraordinary place

Track Two Diplomacy and Jerusalem Tom Najem, Michael Molloy, Michael Bell, John Bell, 2017-02-03 *Track Two Diplomacy and Jerusalem* is the first in a series of three books which collectively present the work of the Jerusalem Old City Initiative or JOCI a major Canadian led Track Two diplomatic effort undertaken between 2003 and 2014 JOCI's raison d'être was to find sustainable governance solutions for the Old City of Jerusalem arguably the most sensitive and intractable of the final status issues dividing Palestinians and Israelis *Track Two Diplomacy and Jerusalem* includes a series of studies that place JOCI within its historical setting and explain the theoretical context of Track Two diplomacy The book then proceeds to present the Initiative's culminating documents which outline in detail its proposed Special Regime governance model Until now the proposals have remained unpublished and available only to a limited audience of key stakeholders Presenting the information in an accessible format this book will contribute positively to the wider conversation on Jerusalem especially with respect to the longstanding conflict over control and governance of this holy city It will therefore be of value to several audiences from the policy making community to the various traditions found in academia

Whose Land? Whose Promise?: Gary M. Burge, 2013-10-30 Because events in the Middle East continue to escalate in tragic complexity Christians still struggle with making sense of it all In this updated version of *Whose Land Whose Promise* Gary Burge further explores the personal emotions and opinions and sharpens his theological argument in the context of the new developments surrounding the crisis in the Middle East *Whose Land Whose Promise* offers insight for the thoughtful reader on an explosive topic and challenges personal truths on peace

The Struggle for Jerusalem's Holy Places Wendy Pullan, Maximilian Sternberg, Lefkos Kyriacou, Craig Larkin, Michael Dumper, 2013-11-20 *The Struggle for Jerusalem's Holy Places* investigates the role of architecture and urban identity in relation to the political economy of the city and its wider state context seen through the lens of the holy places Reflecting the broad disciplinary backgrounds of the

authors this book provides perspectives from architecture urbanism and politics and provides in depth investigations of historical ethnographic and policy related case studies The research is substantiated by fieldwork carried out in Jerusalem over the past ten years as part of the ESRC Large Grants project Conflict in Cities By analysing new dynamics of radicalisation through land seizure the politicisation of parklands and tourism the strategic manipulation of archaeological and historical narratives and material culture and through examination of general appropriation of Jerusalem s varied rituals memories and symbolism for factional uses the book reveals how possibilities of co existence are seriously threatened in Jerusalem Shedding new light on the key role played by everyday urban life and its spatial settings for any future political agreements about the city and its religious sites this book is a useful reference work for students and scholars of Middle East Studies Architecture Religion and Urban Studies Beauty for Ashes: Understanding the Israel-Hamas War Judith Mendelsohn Rood, 2024-12-28 This guide to understanding the grotesque Hamas attack on Israel on the Sabbath of Darkness October 7 2023 is framed by a biblical generous theology of history Judith Mendelsohn Rood shares her experiences as a researcher at the Islamic Court in Jerusalem a professor of Middle Eastern history teaching world history at an evangelical Christian university and as a participant in Israeli Palestinian reconciliation ministries Her story is interwoven with her perspectives on the imperative of loving one s enemies during this age of war Her faith in Yeshua has given her hope and courage during her forty years engaging with the enemy an enemy she has known as friends Beauty for Ashes shows us how the Biblical metanarrative guides us to the answers we seek and equips us for the battle ahead
