Seventh Regiment Gazette, 1918      *Army Chemical Review*, 2007      **Temperance's Trial** Hallee Bridgeman, 2014-09-15

The Third Reich seeks to extract the information she alone knows: MARIE GILBERT and her elder brother flee from Vichy France after the Gestapo arrests her father for suspicion of aiding Jewish children to escape the oncoming fascist front. Once in London, Marie is recruited into an experimental all-female cohort dubbed the Virtues, a collection of seven extraordinary women with highly specialized skills. Known only by her code name TEMPERANCE, she is trained to operate a wireless radio and returns to her beloved France with a new identity. Marie clandestinely communicates vital intelligence directly back to Headquarters but unwittingly attracts the attention and apparent adoration of a handsome but ruthless Nazi officer, Oberleutnant LEOPOLD SCHFER. As the hour to execute their daring mission draws ever closer, Marie plays a deadly game of cat and mouse with the unrelenting and merciless young Lieutenant Schfer and the Nazi soldiers under his command. TEMPERANCE'S TRIAL is part one of eight serialized novellas entitled the Virtues and Valor series. Seven valorous women of different nationalities, ethnicities, and social backgrounds come together as a team called the Virtues. In 1941, Great Britain's special war department assembles an experimental and exclusively female cohort of combat operatives. Four willing spies, a wireless radio operator, an ingenious code breaker, and a fearless pilot are each hand-picked, recruited, and trained to initiate a daring mission in Occupied France. As plans are laid to engineer the largest prison break of Allied POWs in history, the Nazis capture the Virtues' radio operator. It will take the cohesive teamwork of the rest of the women to save her life before Berlin breaks her and brings the force of the Third Reich to bear. Some find love, some find vengeance, and some discover the kind of strength that lives in the human heart when all they can do is rely on each other and their shared belief. Courage, faith, and valor intersect, but in the end, one pays the ultimate price.

Introducing the Virtues and Valor series by Hallee Bridgeman. Eight serialized novellas, each inspired by real people and actual events, reveal the incredible story of amazing heroines facing the ultimate test of bravery: the Virtues in Valor series.
