persistent and pervasive form of violence has been named and unnamed as a significant social problem in western countries over the past four decades Addressing what she calls the Man question so named because it pays attention to the discursive place occupied or more usually vacated by men in accounts of their violence against women she explores what happens when that violence is placed on the criminological and political agenda Written in a theoretically informed yet accessible style Sex Violence and Crime Foucault and the Man Question provides a novel and highly original approach to questions of sex and violence in contemporary western society Directed at criminologists students and more widely at anyone interested in these issues it challenges readers to come to grips with postmodern feminist reconceptualisations of the fraught relationship between sex violence and crime in order to better combat men s violence against women and children Killer Book of Serial Killers Tom Philbin, Michael Philbin, 2009 Terrifying tales of the ultimate evil among us One of the best serial killer books for fans of true crime The Killer Book of Serial Killers is the complete resource for any true crime fan or student of the lurid fascinating world of serial killers Inside you ll find a concise compilation of the world s thirty five most notorious murderers including an in depth look at their crimes and the lives that turned them into monsters This is the perfect gift for any true crime buff or psychology enthusiast Sprinkled throughout the book are Q A quizzes quotes photos and odd facts about serial killers and their true stories to test your knowledge and make you shudder in horrified delight along with recommended reading to dig even deeper into their sordid lives Learn more about notorious serial killers like Ted Bundy Jack the Ripper Jeffrey Dahmer Gary Ridgway the Green River Killer John Wayne Gacy Paul Bernardo and Karla Homolka Dennis Rader the Bind Torture Kill BTK Killer B la Kiss David Berkowitz the Son of Sam With many more shocking tales and tidbits about serial killers that will keep you up at night **Offenders, Deviants or Patients?** Herschel Prins, 2008-03-07 How responsible are mentally disordered offenders for their crimes Aimed specifically at understanding the social context of the serious criminal offender who is deemed to be mentally abnormal this new edition of Offenders Deviants or Patients takes into account the many changes in legal practice methods of treatment and attitudes since the first edition was published in 1980 Herschel Prins examines the relationship between mental abnormality and criminal behaviour the extent to which this relationship is used or misused in the criminal courts and the various facilities that are currently available for treatment Unique in its multidisciplinary approach Offenders Deviants or Patients will be invaluable to all those who come into contact with serious offenders When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as

counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
