Single and Hating It...Destined and Not Denied Denise Chand,Jennifer John,2016-07-08

Hurry God do not delay Im In My 40s has become Liya and Zenias mantra Liya a woman after Gods own heart has had her heart mutilated by the man she has been in a relationship with for 3 years She claims she was blindsided or did she turn a blind eye to the warning signs Believing he was her Godmate Gods choice for her ignites an inner conflict she battles to overcome which leaves her questioning whether she has been called to a life of singleness Zenia a woman of faith patterned her life decisions by the yearly prophecies delivered each New Years Eve during church service but this year all that changed Healing from one heartache after another and with each passing year bringing her no closer to a Godmate has forced her to change her thinking which has yielded resultsshe finally met her Godmate Unfortunately it has put her friendship with Liya through its darkest hour Rise or Fall the unspoken vow between them about their friendship They stand together in the face of challenges and in celebration of each other but will Zenias betrayal be the serrated blade that severs their bond of sisterhood Will Liyas fear of being in her 40s single with no children and hating it distance her from God and Zenia Will their friendship be able to rise from betrayal or will it fall Will they rise by trusting Gods timing for a Godmate or fall due to what feels like His denial Single and Hating It Destined and Not Denied breathes hope sheds light in the darkness quiets raging

heart storms and strengthens ones faith regardless of its Christian content Its collection of short stories will expose the wounded heart and through the Pearls of Wisdom bring healing restoration and wholeness

Marriage-Hater Matched, The. A comedy by Thomas Durfey Manuel J. Gómez-Lara, María José Mora, Paula de Pando, 2014-09-23 When young Phoebe asks Sir Philip Freewit the man who has got her with child to fulfil his promise and marry her he replies with shock My wife Then I should never love thee more Thomas Durfey s *The Marriage Hater Matched* 1692 pokes fun at the figure of the libertine rake which had become a favourite dramatic type with Restoration theatregoers and forces him in the end to make up for his past recklessness Besides the marriage hater and the two women that vie for his affections a remarkable gallery of secondary characters people this amusing comedy a Frenchified lady fawning on her lap dog a fat clownish Dutchman laughing at his own jokes a impertinent match making widow obsessed with food a peevish old fashioned courtier a pert lipping ing nue and two rude boobies bearing the names of Greek philosophers This first modern critical edition offers a fully annotated text in addition to an introduction that situates the comedy in its literary and theatrical contexts The editors discuss at length how Durfey drew upon successful comic modes while at the same complying with the moral values advocated by the new monarchs William and Mary 1688 1702

Preacher Woman Katie Lauve-Moon, 2021-03-18 When organizations are committed to gender equality what gets in the way of their achieving it How and why do well intentioned people often end up reinforcing sexism Focusing on the Cooperative Baptist Fellowship Katie Lauve Moon s *Preacher Woman* explores how congregations can be committed to ideas of gender parity while still falling short in practice Lauve Moon investigates how institutional sexism is upheld through both unconscious and conscious biases In doing so she demonstrates how addressing issues of sexism and gender inequality within organizations must extend beyond good intentions and inclusive policies

Loving and Hating the World James Lawson, 2021-12-29 What is it that makes discipleship authentic Discipleship involves learning how to be in the world but not of the world The first Christians were ambivalent about the world God so loved the world that he gave his only begotten son but friendship with the world is enmity with God So discipleship involves learning how to live with this ambivalence and an ancient tension between loving and hating the world This book offers a deeper understanding of what discipleship means by tracing the history of this ambivalence from the New Testament to the present It presents a revisionary account of this history as a continuing and nonnegotiable tension between loving and hating the world rather than a simple transition from medieval world denial to modern world affirmation It argues that this tension helped produce our own secular age and it considers modern Jewish and Christian philosophical and theological responses to this history that suggest ways that Christians can negotiate this tension to be more authentic disciples today
