wide range of source material from private papers to newspaper articles official papers and court records Dussart explores the strategic nature of the relationship the connection between imperialism domesticity and a master servant paradigm that was deployed in different ways by varied actors often neglected in the historical record Positioned outside the family but inside the private place of the home the domestic servant was often the foil against which 19th century contemporaries worked out class race and gender identities across metropole and colony creating those places in the process The role of domestic servants in empire thus lay not only in the labour they undertook but also in the way the servant master relationship constituted ground that helped other power relations to be imagined and contested Dussart explores the domestic service relationship in 19th century Britain and India considering how ideas about servants and their masters and or mistresses spanned imperial space and shaped peoples and places within it **Below-the-line Talent** ,2002 **The Love Scrolls** Edward Theodore Hayes,2008-08 2003 2005 Poet of the Year Shakespeare Award of Excellence recipient The Love Scrolls Seven The Love Scrolls is an epic to literally sweep you off of your feet I love therefore I m forever As Shakespeare shall write of his kings so I shall write of mine We shall cover the ground with love s growth and upon the earth with love s tree we shall sod Spreading its fruit in abundance unto a lover unto our brother unto each other and unto God Shore up your works with faith and love guild For these are the only eternal substances from which mankind is allowed to build Cover artist April Sampson Graphic artist Tate Krupa **Olderr's Fiction Index** ,1988
